Dear Stockholder:

You are cordially invited to attend the 2014 annual meeting of stockholders of Tilly's, Inc., to be held on June 11, 2014 at 9:30 a.m., local time, at our headquarters located at 10 Whatney, Irvine, California 92618. The attached notice of meeting and proxy statement describe the matters to be acted upon at the annual meeting. We urge you to read this information carefully.

Whether or not you plan to attend the annual meeting personally, and regardless of the number of shares of Tilly's stock you own, it is important that your shares be represented at the annual meeting. We are pleased to take advantage of Securities and Exchange Commission rules that allow companies to furnish their proxy materials over the internet. As a result, we are mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") instead of a paper copy of our proxy materials, which include the Notice of Annual Meeting, our Proxy Statement, our 2013 Annual Report and a proxy card or voting instruction form. The Notice contains instructions on how to access our proxy materials on the internet, how to cast your vote and how to request a paper copy of our proxy materials. All stockholders who do not receive the Notice will receive a paper copy of the proxy materials by mail. If you receive a paper copy of our proxy materials, you can cast your vote by completing the enclosed proxy card and returning it in the postage-prepaid envelope provided.

On behalf of the Board of Directors, I thank you for your participation.

PROXY STATEMENT

INFORMATION CONCERNING VOTING AND SOLICITATION

Solicitation of Proxies is Made by the Tilly's, Inc. Board of Directors

The board of directors (the "board") of Tilly's, Inc. ("Tilly's," the "Company," "we," "our" or "us") is soliciting proxies to be used at the annual meeting of stockholders, to be held on Wednesday, June 11, 2014 at 9:30 a.m., local time, at our headquarters located at 10 Whatney, Irvine, California 92618, and at any continuation, adjournment or postponement thereof. References to our website in this Proxy Statement are not intended to function as hyperlinks and the information contained on our website is not intended to be incorporated into this Proxy Statement. As permitted by the Securities and Exchange Commission ("SEC"), Tilly's is providing most stockholders with access to our proxy materials over the internet rather than in paper form. Accordingly, on or about May 1, 2014, we will mail a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access the proxy materials over the internet to most of our stockholders. We will mail printed copies of the full set of proxy materials to the rest of our stockholders. If you receive the Notice by mail, you will not receive a printed copy of the proxy materials in the mail unless you follow the instructions contained on the Notice for requesting such materials. The Notice instructs you how to access and review all of the important information contained in our Proxy Statement and our 2013 Annual Report to Stockholders over the internet.

Important Notice Regarding the Availability of Proxy Materials for the Stockholder Meeting to Be Held on June 11, 2014:

Our Proxy Statement and our 2013 Annual Report to Stockholders, which consists of a letter to stockholders and our Annual Report on Form 10-K for the fiscal year ended February 1, 2014, are available at www.tillys.com/proxy. This website address contains the following documents: the Notice of the Annual Meeting, our Proxy Statement (including sample proxy card) and our 2013 Annual Report to Stockholders. You are encouraged to access and review all of the important information contained in the proxy materials before voting.

Who Can Vote, Outstanding Shares

Record holders of our Class A common stock and holders of our Class B common stock as of the close of business on April 25, 2014, the record date for the annual meeting, may vote at the annual meeting. As of the record date, there were 11,438,740 shares of our Class A common stock outstanding, each entitled to one vote, and there were 16,574,265 shares of our Class B common stock outstanding, each entitled to ten votes. There were approximately 13 stockholders of record as of the record date.

How You Can Vote

Any stockholder as of the record date may vote by attending the annual meeting and voting in person.

If you received a proxy card in the mail, you may vote by completing, signing and mailing a completed proxy card to the following address: Tilly's, Inc. c/o Continental Stock Transfer & Trust Company, 17 Battery Place, 8th Floor, New York, New York 10275-1138 using the postage-prepaid envelop provided to you.

[Table of Contents](#)

If you received the Notice, you may follow the procedures outlined in the Notice to vote or you may request a paper proxy card to submit your vote by mail using the procedures described above.

If you hold your shares of common stock in street name you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares. Your broker, bank or other nominee will allow you to deliver your voting instructions via the internet and may also permit you to submit your voting instructions by telephone. In addition, you may request paper copies of our Proxy Statement and proxy card by following the instructions on the notice provided by your broker, bank or other nominee.

YOUR VOTE IS VERY IMPORTANT. You should submit your proxy even if you plan to attend the annual meeting. If you properly give your proxy and submit it to us in time to vote, the individuals named as your proxy holders will vote your shares as you have directed.

All shares entitled to vote and represented by properly submitted proxies received before the polls are closed at the annual meeting, and not revoked or superseded, will be voted at the annual meeting in accordance with the instructions indicated on those proxies.

If you submit a signed proxy card or submit your proxy by telephone or internet and do not specify how you want your shares voted, the proxy holder designated by the Company will vote your shares according to the recommendation of our board, as follows:

- “FOR” the election of all of the director nominees;
- “FOR” approval of the Amended and Restated Tilly’s 2012 Equity and Incentive Award Plan (the “Amended Equity Plan”);
- “FOR” ratification of the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2015 (which we refer to as “fiscal 2014”).

In their discretion, the proxy holders named in the proxy are authorized to vote on any other matters that may properly come before the annual meeting and at any continuation, postponement or adjournment of the annual meeting. As of the date of this Proxy Statement, our board does not know of any other items of business that will be presented for consideration at the annual meeting other than those described in this Proxy Statement.

Voting in Person

If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the annual meeting. Please note that if your shares are held of record by a broker, bank or other nominee, and you decide to attend and vote at the annual meeting, your vote in person at the annual meeting will not be effective unless you present a legal proxy, issued in your name from your broker, bank or other nominee. Even if you plan to attend the annual meeting, we encourage you to submit your proxy to vote your shares in advance of the annual meeting.

Stockholders who wish to attend the annual meeting will be required to present verification of ownership of our common stock, such as a bank or brokerage firm account statement and will be required to present a valid government-issued picture identification, such as a driver’s license or passport, to gain admittance to the annual meeting.

No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the annual meeting.

How You May Revoke or Change Your Vote

As a stockholder of record, you have the power to revoke your proxy at any time before it is voted. A proxy may be revoked by a stockholder of record by:

- delivering a written notice of revocation to our Secretary at or before the annual meeting;

[Table of Contents](#)

- presenting to our Secretary, at or before the annual meeting, a later dated proxy executed by the person who executed the prior proxy; or
- attending the annual meeting and voting in person.

Attendance at the annual meeting will not, by itself, revoke a proxy. Any written notice of revocation or delivery of a subsequent proxy by a stockholder of record may be sent to Tilly's, Inc., Attn: Secretary, 10 Whatney, Irvine, California, 92618, or hand delivered to our Secretary at or before the voting at the annual meeting.

If you hold your shares through a broker, bank or other nominee, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. If you wish to vote in person, you must obtain a legal proxy issued to you by your broker, bank or other nominee.

Quorum and Required Vote

The inspector of elections appointed for the annual meeting will tabulate votes cast by proxy or in person at the annual meeting. The inspector of elections will also determine whether or not a quorum is present.

Quorum. In order to constitute a quorum for the conduct of business at the annual meeting, the holders of a majority in voting power of the stock issued and outstanding and entitled to vote at the annual meeting must be present in person or represented by proxy. Shares that abstain from voting on any proposal, or that are represented by broker non-votes (as discussed below), will be treated as shares that are present and entitled to vote at the annual meeting for purposes of determining whether a quorum exists.

Broker Non-Votes. If you hold shares through a broker, bank or other nominee (that is, in "street name"), you are the beneficial stockholder of your shares and proxy materials were made available to you by the organization holding your account. As a beneficial stockholder, you have the right to instruct that organization on how to vote the shares held in your account. If your broker, bank or other nominee does not receive voting instructions from you, a "broker non-vote" results unless your nominee has discretionary authority to vote on the matter. This year, Proposal No. 1 (election of directors) and Proposal No. 2 (approval of the Amended Equity Plan) are each non-routine and your broker or other nominee does not have discretionary authority to vote on those proposals. As a result, shares that constitute broker non-votes will not be considered entitled to vote on such proposals. The effect of broker non-votes and abstentions on each proposal is explained below.

Proposal No. 1: Election of Directors. Our Amended and Restated Bylaws provide for a plurality voting standard in the election of directors in uncontested elections, which are generally defined as elections in which the number of nominees does not exceed the number of directors to be elected at the meeting. In the election of directors, you may either vote "for" or "withhold." Cumulative voting is not permitted. Under the plurality voting standard, the six nominees receiving the highest number of affirmative votes will be elected as directors to serve until the next annual meeting of stockholders and until their successors are duly elected and qualified. Abstentions and broker non-votes will not count as a vote "for," or a "withhold" vote from, a nominee's election and thus will have no effect in determining whether a director nominee has received a plurality of the votes cast.

Proposal No. 2: Approval of the Amended and Restated Tilly's 2012 Equity and Incentive Award Plan. The approval of Proposal No. 2 requires the affirmative vote of a majority in voting power of shares of stock present at the annual meeting, in person or by proxy, and entitled to vote on the proposal. Abstentions will have the same effect as voting against this proposal. Broker non-votes will have no effect on the vote on this proposal as brokers and other nominees are not entitled to vote on it in the absence of voting instructions from the beneficial stockholder.

[Table of Contents](#)

Proposal No. 3: Ratification of Deloitte & Touche LLP as our Independent Registered Public Accounting Firm for Fiscal 2014 . The approval of Proposal No. 3 requires the affirmative vote of a majority in voting power of shares of stock present at the annual meeting, in person or by proxy, and entitled to vote on the proposal. Abstentions will have the same effect as a vote against this proposal. Broker non-votes are unlikely to result from or have any effect on the outcome of the vote on this proposal.

Costs of Solicitation

The total cost of this solicitation, including preparing, printing and mailing this Proxy Statement, will be borne by us. In addition to solicitation by mail, our officers and employees may solicit proxies by telephone, by facsimile or in person. We do not expect to use a proxy solicitor to assist in the solicitation of proxies. We will reimburse brokers, nominees, fiduciaries and other custodians for reasonable expenses incurred by them in sending proxy soliciting material to the beneficial owners of our common stock.

Stockholder List

A list of stockholders entitled to vote at the annual meeting will be available for examination by any stockholder for any purpose germane to the annual meeting during ordinary business hours at our corporate headquarters offices located at 10 Whatney, Irvine, California 92618 for the ten days prior to the annual meeting, and also at the annual meeting.

Confidentiality

It is our policy that all proxies, ballots and voting materials that identify the particular vote of a stockholder will be kept confidential, except in the following circumstances:

- to allow the inspector of elections appointed for the annual meeting to certify the results of the vote;
- as necessary to meet applicable legal requirements, including the pursuit or defense of a judicial action;
- where we conclude in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of the tabulation of such proxies, ballots or votes;
- where a stockholder expressly requests disclosure or has made a written comment on a proxy card;
- where contacting stockholders by us is necessary to obtain a quorum, the names of stockholders who have or have not voted (but not how they voted) may be disclosed to us by the inspector of elections appointed for the annual meeting;
- aggregate vote totals may be disclosed to us from time to time and publicly announced at the meeting of stockholders at which they are relevant; and
- in the event of any solicitation of proxies or written consents with respect to any of our securities by a person other than us of which solicitation we have actual notice.

Proposal No. 1
ELECTION OF DIRECTORS

Our board currently consists of six members. The current term of office of each of our directors expires at the 2014 annual meeting of stockholders and each of the six directors is being nominated for a term expiring on the date of our 2015 annual meeting of stockholders and until their successors are duly elected and qualified. Our board appoints directors to fill vacancies on our board, as they occur, as well as vacancies resulting from newly created directorships, in each instance upon the recommendation of the Nominating and Corporate Governance Committee. A director appointed to fill a vacancy shall serve a term that expires at the next annual meeting of stockholders.

Upon the recommendation of the Nominating and Corporate Governance Committee, our board has nominated each of the following six persons to be elected to serve for a one-year term expiring at the 2015 annual meeting of stockholders. Each of the nominees for election currently serves as a director and has consented to serve for a new term if elected. Each nominated director was elected by our stockholders to his or her present term of office.

As of the date of this Proxy Statement, our board is not aware of any nominee who is unable or will decline to serve as a director.

Information About Director Nominees

Set forth below are descriptions of the backgrounds of each nominee and their principal occupations for at least the past five years and their public-company directorships as of the record date as well as those held during the past five years. There are no family relationships between any director or executive officer.

Bernard Zeichner has served on our board since April 2011 and as Chairperson of our Compensation Committee since August 2011. Board Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE ELECTION OF EACH OF THE SIX NAMED DIRECTOR NOMINEES.

Proposal No. 2
APPROVAL OF THE
AMENDED AND RESTATED TILLY'S 2012 EQUITY AND INCENTIVE AWARD PLAN

Introduction

On April 23, 2014, the board adopted, subject to stockholder approval, the Amended and Restated 2012 Equity and Incentive Award Plan (the "Amended Equity Plan"). The Amended Equity Plan constitutes an amendment and restatement of the Tilly's, Inc. 2012 Equity and Incentive Award Plan (the "2012 Plan"). The effectiveness of the Amended Equity Plan is subject to approval by the Company's stockholders and is recommended by the board.

Employees and consultants of the Company and its affiliates, as well as members of the Board, are eligible to receive equity awards under the Amended Equity Plan. The Amended Equity Plan provides for the grant of stock options (both incentive stock options and nonqualified stock options), restricted stock, stock appreciation rights ("SARs"), performance awards, dividend equivalents, stock payments, deferred stock, deferred stock units, restricted stock units ("RSUs") and performance-based awards to eligible individuals.

Under the Amended Equity Plan, we propose to increase the number of shares reserved for issuance from the amount reserved under the 2012 Plan, which we believe is necessary to help ensure that the Company has a sufficient reserve of shares available to attract and retain the services of key individuals essential to the Company's long-term growth and success. In addition, as a relatively new public company, we are interested in reinforcing our strong corporate governance practices, including with respect to equity awards. For this reason, the Amended Equity Plan implements additional amendments to reflect compensation and governance best practices.

The Amended Equity Plan amends and restates the 2012 Plan to increase the aggregate number of shares reserved for issuance under the 2012 Plan by 1,500,000 shares, to a total of 4,413,900 shares. The Amended Equity Plan continues the 2012 Plan's "fungible stock plan feature" whereby each award other than stock options or SARs ("Full Value Awards") will be counted as 1.5 shares against the share reserve. In addition, the Amended Equity Plan provides that shares subject to stock options that are withheld or surrendered to satisfy the exercise price or tax obligations of any stock options or SARs, shares subject to SARs not issued in connection with the stock settlement of a SAR upon exercise, and shares purchased on the open market with cash proceeds from the exercise of options may not be used again for new grants under the Amended Equity Plan. The Amended Equity Plan also amends the "Performance Criteria" that may be used in connection with performance-based awards granted under Amended Equity Plan to add operating income and comparable store sales growth as additional performance goals from which the Compensation Committee may select.

In addition to the above, we are asking stockholders to approve the Amended Equity Plan to satisfy the stockholder approval requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)"). In general, Section 162(m) places a limit on the deductibility for federal income tax purposes of the compensation paid to our Chief Executive Officer or any of our three other most highly compensated executive officers (other than our Chief Financial Officer). Under Section 162(m), compensation paid to such persons in excess of \$1 million in a taxable year generally is not deductible. However, compensation that qualifies as "performance-based" under Section 162(m) does not count against the \$1 million deduction limitation. One of the requirements of "performance-based" compensation for purposes of Section 162(m) is that the material terms of the plan under which compensation may be paid be disclosed to and approved by our public stockholders. For purposes of Section 162(m), the material terms include (a) the employees eligible to receive compensation, (b) a description of the business criteria on which the performance goals may be based and (c) the maximum amount of compensation that can be paid to an employee under the performance goals. Each of these aspects of the 2012 Plan, as proposed to be amended in the form of the Amended Equity Plan, is discussed below, and stockholder approval of this Proposal No. 2 is intended to constitute approval of the material terms of the Amended Equity Plan for purposes of the stockholder approval requirements of Section 162(m).

[Table of Contents](#)

Stockholder approval of the Amended Equity Plan is only one of several requirements under Section 162(m) that must be satisfied for amounts realized under the Amended Equity Plan to qualify for the “performance-based” compensation exemption under Section 162(m), and submission of the material terms of the Amended Equity Plan performance goals for stockholder approval should not be viewed as a guarantee that we will be able to deduct all compensation under the Amended Equity Plan. Nothing in this proposal precludes us or the Compensation Committee of the Board from making any payment or granting awards that do not qualify for tax deductibility under Section 162(m).

If stockholders do not approve this Proposal No. 2, the 2012 Plan will continue in full force and effect subject to the limitations set forth in the 2012 Plan.

Reasonable Equity Dilution and Key Historical Equity Metrics

In its determination to approve the Amended Equity Plan, our Board reviewed an analysis prepared by Exequity, our independent outside compensation consultant, which included an analysis of certain burn rate, dilution and overhang metrics of the Amended Equity Plan. Specifically, our Board considered that analysis and the following:

- In 2013 and 2012, we granted equity awards representing a total of approximately 659,052 and 771,788 shares, respectively, after giving effect to a full value award multiplier of 2 (consistent with Institutional Shareholder Services’ methodology). This level of equity awards represents a three-year adjusted average gross burn rate of 2.7% of basic weighted average common shares outstanding (which does not reflect subsequent forfeitures or cancellations).
- The total aggregate of additional authorized shares being requested under the Amended Equity Plan (above the shares remaining available for issuance under the 2012 Plan) represents 5.4% of our outstanding common stock on April 25, 2014.
- In 2013 and 2012, our end of year overhang rate, calculated by dividing (i) the number of shares subject to equity awards outstanding at the end of the fiscal year plus the number of shares remaining available for issuance under our 2012 Plan by (ii) the weighted average number of our shares outstanding during the fiscal year, was 14.3% and 16.8%, respectively. If approved, the issuance of the additional shares to be reserved under the Amended Equity Plan would dilute the holdings of stockholders by an additional 5.4 percentage points on a fully diluted basis, based on the weighted average number of shares outstanding as of February 1, 2014. If the Amended Equity Plan is approved, we expect our overhang as of the date of the annual meeting will be approximately 19.7% (including the shares that will be reserved for issuance under the Amended Equity Plan).
- With the additional authorized shares being requested, if the Amended Equity Plan is approved by our stockholders, we expect to have sufficient shares for two to three years, based on our historic adjusted three-year average burn rate.

In light of the factors described above, our Board believes the additional authorized shares being requested under the Amended Equity Plan represents reasonable potential equity dilution and provides a significant incentive for officers, employees, non-employee directors and consultants to increase the value of the Company for all stockholders.

The Company’s Board unanimously recommends a vote “FOR” the approval of the Amended Equity Plan.

A summary of the principal provisions of the Amended Equity Plan is set forth below. The summary is qualified by reference to the full text of the Amended Equity Plan, which is attached as Appendix A to this Proxy Statement.

Material Terms of the Amended Equity Plan

Administration

Unless otherwise determined by the board, the Amended Equity Plan will be administered by the Compensation Committee (collectively with board, the “Administrator”), except that with respect to awards granted to independent directors, the board will administer the Amended Equity Plan. The Administrator may delegate to a committee of one or more Directors or one or more Company officers the authority to grant or amend awards under the Amended Equity Plan to participants other than (i) senior Company executives who are subject to Section 16 of the Exchange Act, (ii) employees who are “covered employees” within the meaning of Section 162(m) of Code, and (iii) Company officers or Directors to whom the authority to grant or amend awards under the Amended Equity Plan has been delegated. Unless otherwise determined by the board, the Administrator will consist solely of two or more Directors who are “outside directors” for purposes of Section 162(m) of the Code, Non-Employee Directors (as defined in Rule 16b-3(b)(3) of the Exchange Act) and “independent directors” under the rules of any securities exchange or automated quotation system on which the shares of common stock are listed, quoted or traded.

Unless otherwise determined by the board, the Administrator will have the authority to administer the Amended Equity Plan, including the power to (i) designate participants under the Amended Equity Plan, (ii) determine the types of awards granted to participants under the Amended Equity Plan, the number of such awards, and the number of shares of common stock subject to such awards, (iii) determine and interpret the terms and conditions of any awards under the Amended Equity Plan, including the vesting schedule, exercise price, whether to settle, or accept the payment of any exercise price, in cash, common stock, other awards or other property, and whether an award may be cancelled, forfeited or surrendered, (iv) accelerate the vesting or lapse of restrictions of any award at any time after the grant of an award, (v) prescribe the form of each award agreement, and (vi) adopt rules for the administration, interpretation and application of the Amended Equity Plan.

Eligibility

Persons eligible to participate in the Amended Equity Plan include all employees (including officers of the Company) and consultants of the Company and its affiliates and members of the board, as determined by the Administrator. Under the Amended Equity Plan our employees, consultants and non-employee directors are eligible participants in the Amended Equity Plan. As of April 1, 2014, approximately 4,216 employees, 13 consultants and four non-employee directors were eligible to participate in the Amended Equity 2012 Plan.

Limitation on Awards and Shares Available

Under the Amended Equity Plan, 4,413,900 shares of common stock will be reserved for issuance pursuant to a variety of stock-based compensation awards, including stock options, restricted stock, SARs, performance awards, dividend equivalents, stock payments, deferred stock, deferred stock units, RSUs and performance-based awards. However, such number of shares will be reduced by 1.5 shares for each share delivered in settlement of any Full Value Award. In addition, no more than 4,413,900 shares may be issued upon the exercise of Incentive Stock Options.

Generally, shares of common stock subject to an award under the Amended Equity Plan that expire or are canceled, forfeited, settled in cash or otherwise terminate are made available for issuance again under the Amended Equity Plan, except that each share subject to a Full Value Award that terminates, expires, or lapses for any reason will increase the number of shares that can be issued under the Amended Equity Plan by 1.5 shares. Shares of common stock tendered or withheld to satisfy the grant or exercise price pursuant to any stock option, shares of common stock tendered or withheld to satisfy the tax withholding obligation pursuant to a stock option or SAR, shares of common stock that were subject to a stock-settled SAR that are not issued upon exercise of the SAR and shares of common stock purchased on the open market with the cash proceeds from the exercise of options will not be available for issuance again under the Amended Equity Plan. The payment of dividend equivalents in conjunction with outstanding awards will not be counted against the shares available for issuance

[Table of Contents](#)

under the Amended Equity Plan. Furthermore, shares of common stock may not be optioned, granted or awarded again if it would prevent any stock option that is intended to qualify as an incentive stock option under Section 422 of the Code from so qualifying. In addition, shares issued in assumption of, or in substitution for, any outstanding awards previously granted by an entity in connection with a corporate transaction will not be counted against the shares available for issuance under the Amended Equity Plan. In no event may shares become available to the extent that the transaction resulting in the return of shares occurs more than ten years after the date of the most recent stockholder approval of the Plan or such return of shares would constitute a “material revision” of the Plan subject to stockholder approval under then applicable rules of any applicable stock exchange or quotation system.

The maximum number of shares of common stock that may be subject to one or more awards granted to any person pursuant to the Amended Equity Plan during any calendar year is 728,475 and the maximum amount that may be paid in cash during any calendar year with respect to any award to any individual person pursuant to the Amended Equity Plan during any calendar year is \$5 million.

Awards

The Amended Equity Plan provides for grants of stock options (both incentive stock options and nonqualified stock options), restricted stock, SARs, performance awards, dividend equivalents, stock payments, deferred stock, deferred stock units, RSUs and performance-based awards. Each award must be evidenced by a written award agreement with terms and conditions consistent with the Amended Equity Plan. Upon the exercise or vesting of an award, the exercise or purchase price must be paid in full by: cash or check; tendering shares of common stock with a fair market value at the time of exercise or vesting equal to the aggregate exercise or purchase price of the award or the exercised portion thereof, if applicable; delivery of a written or electronic notice that the holder has placed a market sell order with a broker with respect to shares then issuable upon exercise or vesting of an award, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the aggregate payments required, provided that payment of such proceeds is then made to the Company upon settlement of such sale; or by tendering other property acceptable to the Administrator. Any withholding obligations may be satisfied in the Administrator’s sole discretion by allowing a holder to elect to have the Company withhold shares otherwise issuable under an award which are equal to the fair market value on the date of withholding or repurchase equal to aggregate amount of such liabilities.

Stock Options. Stock options, including incentive stock options (as defined under Section 422 of the Code) and nonqualified stock options may be granted pursuant to the Amended Equity Plan. The exercise price of incentive stock options and nonqualified stock options granted pursuant to the Amended Equity Plan will not be less than 100% of the fair market value of the common stock on the date of grant, unless incentive stock options are granted to any individual who owns, as of the date of grant, stock possessing more than 10% of the total combined voting power of all classes of Company stock (a “Ten Percent Owner”), in which case the exercise price of such incentive stock options will not be less than 110% of the fair market value of the common stock on the date of grant. Incentive stock options and nonqualified stock options may be exercised as determined by the Administrator, but in no event after (i) the fifth anniversary of the date of grant with respect to incentive stock options granted to a Ten Percent Owner, or (ii) the tenth anniversary of the date of grant with respect to incentive stock options granted to other employees and nonqualified stock options.

Restricted Stock. Restricted stock awards may be granted pursuant to the Amended Equity Plan. A restricted stock award is the grant of shares of common stock at a price determined by the Administrator (including zero), that is subject to sale, transfer and pledge restrictions and may be subject to substantial risk of forfeiture until specific conditions are met. Conditions may be based on continuing employment or achieving performance goals. During the period of restriction, participants holding shares of restricted stock may have full voting rights with respect to such shares. In addition, with respect to a share of restricted stock with performance-based vesting, dividends which are paid prior to vesting shall only be paid out to the holder to the extent that the performance-based vesting conditions are subsequently satisfied and the share of restricted stock vests. The restrictions will lapse in accordance with a schedule or other conditions determined by the Administrator.

[Table of Contents](#)

Stock Appreciation Rights. A SAR is the right to receive payment of an amount equal to (i) the excess of (A) the fair market value of a share of common stock on the date of exercise of the SAR over (B) the fair market value of a share of common stock on the date of grant of the SAR, multiplied by (ii) the aggregate number of shares of common stock subject to the SAR. Such payment will be in the form of cash, common stock or a combination of cash and common stock, as determined by the Administrator, and SARs settled in common stock will satisfy all of the restrictions imposed by the Amended Equity Plan upon stock option grants. The Administrator will determine the time or times at which a SAR may be exercised in whole or in part, provided that the term of any SAR will not exceed ten years.

Restricted Stock Units. RSUs may be granted pursuant to the Amended Equity Plan, typically without consideration from the participant. RSUs may be subject to vesting conditions including continued employment or achievement of performance criteria established by the Administrator. Like restricted stock, RSUs may not be sold or otherwise transferred or hypothecated until vesting conditions are removed or expire. Unlike restricted stock, the common stock underlying RSUs will not be issued until the RSUs have vested, and recipients of RSUs generally will have no voting rights prior to the time when vesting conditions are satisfied.

Performance Awards. Awards of performance awards which may be a cash bonus award, stock bonus award, performance award or incentive award that is paid in cash, shares or a combination of both, may be linked to any one or more performance criteria determined appropriate by the Administrator, in each case on a specified date or dates or over any period or periods determined by the Administrator. Any participant selected by the Administrator may be granted a cash bonus payable upon the attainment of performance goals that are established by the administrator and relate to any one or more performance criteria determined appropriate by the Administrator on a specified date or dates or over any period or periods determined by the Administrator. Any performance award in the form of a cash bonus paid to a “covered employee” within the meaning of Section 162(m) of the Code may be a performance-based award as described below.

Dividend Equivalents. Dividend equivalents are rights to receive the equivalent value (in cash or common stock) of dividends paid on common stock. Dividend equivalents represent the value of the dividends per share of common stock paid by the Company, calculated with reference to the number of shares that are subject to any award held by the participant. Dividend equivalents are converted to cash or additional shares of common stock by such formula and at such time subject to such limitations as may be determined by the Administrator. In addition, with respect to an award with performance-based vesting, dividend equivalents which are paid prior to vesting shall only be paid out to the holder to the extent that the performance-based vesting conditions are subsequently satisfied and the award vests. Dividend equivalents cannot be granted with respect to options or SARs.

Stock Payments. Stock payments include payments in the form of common stock, options or other rights to purchase common stock which may be made in lieu of all or any portion of the compensation that would otherwise be paid to the participant. The number of shares will be determined by the Administrator and may be based upon performance criteria determined appropriate by the Administrator, determined on the date such stock payment is made or on any date thereafter. Unless otherwise provided by the Administrator, a holder of a stock payment shall have no rights as a Company stockholder with respect to such stock payment until such time as the stock payment has vested and the shares underlying the Award have been issued to the holder.

Deferred Stock. Deferred stock may be awarded to participants and may be linked to any performance criteria determined to be appropriate by the Administrator. Common stock underlying a deferred stock award will not be issued until the deferred stock award has vested, pursuant to a vesting schedule or performance criteria set by the Administrator, and unless otherwise provided by the Administrator, recipients of deferred stock generally will have no rights as a stockholder with respect to such deferred stock until the time the vesting conditions are satisfied and the stock underlying the deferred stock award has been issued.

[Table of Contents](#)

Deferred Stock Units. Awards of deferred stock units are denominated in unit equivalent of shares of common stock, and vest pursuant to a vesting schedule or performance criteria set by the Administrator. The common stock underlying deferred stock units will not be issued until the deferred stock units have vested, and recipients of deferred stock units generally will have no voting rights prior to the time when vesting conditions are satisfied.

Performance-based Awards. The Administrator may grant awards to employees who are or may be “covered employees,” as defined in Section 162(m) of the Code, that are intended to be qualified performance-based compensation within the meaning of Section 162(m) of the Code in order to preserve the deductibility of these awards for federal income tax purposes. Participants are only entitled to receive payment for a performance-based award for any given performance period to the extent that pre-established performance goals set by the Administrator for the period are satisfied. With regard to a particular performance period, the Administrator will have the discretion to select the length of the performance period, the type of performance-based awards to be granted, and the goals that will be used to measure the performance for the period. In determining the actual size of an individual performance-based award for a performance period, the Administrator may reduce or eliminate (but not increase) the award. Generally, a participant will have to be employed by the Company or an affiliate throughout the applicable performance period to be eligible for a performance-based award. Stock options and SARs granted under the Amended Equity Plan should satisfy the exception for qualified performance-based compensation because the plan sets forth the maximum number of shares of common stock which may be subject to awards granted to any one participant during any calendar year, and the Company intends that they will be made by a qualifying administrator and that the per share exercise price of options and SARs must be at least equal to the fair market value of a share of common stock on the date of grant.

Under the Amended Equity Plan, pre-established performance goals for awards intended to be qualified performance-based compensation within the meaning of Section 162(m) of the Code must be based on one or more of the following performance criteria: (i) net earnings (either before or after one or more of the following: (A) interest, (B) taxes, (C) depreciation and (D) amortization); (ii) gross or net sales or revenue; (iii) net income (either before or after taxes); (iv) adjusted net income; (v) operating income, earnings or profit; (vi) cash flow (including, but not limited to operating cash flow and free cash flow); (vii) return on assets; (viii) return on capital; (ix) return on stockholders’ equity; (x) total stockholder return; (xi) return on sales; (xii) gross or net profit or operating margin; (xiii) costs; (xiv) funds from operations; (xv) expenses; (xvi) working capital; (xvii) earnings per share; (xviii) adjusted earnings per share; (xix) price per share of common stock; (xx) regulatory body approval for commercialization of a product; (xxi) implementation or completion of critical projects; (xxii) market share; (xxiii) comparable stores sales; and (xxiv) economic value, any of which may be measured either in absolute terms or as compared to any incremental increase or decrease or as compared to results of a peer group or to market performance indicators or indices. In addition, the Administrator may, in its sole discretion, provide that one or more objectively determinable adjustments shall be made to one or more performance goals established under any of these performance criteria, such as adjustments related to a change in accounting principle or tax laws, related to acquisitions, to asset impairment charges or to gains or losses for litigation, arbitration and contractual settlements. For all awards intended to qualify as performance-based compensation under Section 162(m), such determinations will be made in a manner intended to comply with Section 162(m) of the Code.

Transferability of awards. Awards cannot be assigned, transferred or otherwise disposed of by a participant other than by will or the laws of descent and distribution, pursuant to a domestic relations order subject to the consent of the Administrator or pursuant to beneficiary designation procedures approved from time to time by the Administrator. The Administrator may determine to permit an award (other than an incentive stock option) to be transferred to certain persons or entities related to a participant in the Amended Equity Plan, including but not limited to members of the participant’s family, charitable institutions or trusts or other entities whose beneficiaries or beneficial owners are members of the participant’s family and/or charitable institutions, or to such other persons or entities as may be expressly permitted by the Administrator. Such permitted assignees will be bound by and subject to such terms and conditions as determined by the Administrator.

[Table of Contents](#)

Repricing. The Administrator cannot, without the approval of the stockholders of the Company, authorize the amendment of any outstanding option or SAR to reduce its price per share, or cancel any option or SAR in exchange for cash or another award when the option or SAR price per share exceeds the fair market value of the underlying shares of common stock.

Adjustments to Awards

If there is a stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends), that affects the shares of common stock (or other securities of the Company) or the stock price of common stock (or other securities), then the Administrator may make equitable adjustments to the aggregate number and kind of shares that may be issued under the Amended Equity Plan (including adjustments to award limits) the number and kind of shares subject to each outstanding award under the Amended Equity Plan, the exercise price or grant price of such outstanding award (if applicable), and the terms and conditions of any outstanding awards (including any applicable performance targets or criteria). The Company may refuse to permit the exercise of any award during a period of 30 days prior to the consummation of any such transaction.

If there is any stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or other unusual or nonrecurring transactions or events, the Administrator may, in its discretion:

- provide for the termination of any award in exchange for an amount of cash (if any) and/or other property equal to the amount that would have been attained upon the exercise of such award or realization of the participant's rights;
- provide for the replacement of any award with other rights or property selected by the Administrator in its sole discretion having an aggregate value not exceeding the amount that could have been attained upon exercise of such award or realization of the participant's rights;
- provide that any outstanding award cannot vest, be exercised or become payable after such event;
- provide that awards may be exercisable, payable or fully vested as to shares of common stock covered thereby;
- provide that any surviving corporation (or its parent or subsidiary) will assume awards outstanding under the Amended Equity Plan or will substitute similar awards for those outstanding under the Amended Equity Plan, with appropriate adjustment of the number and kind of shares and the prices of such awards; or
- make adjustments (i) in the number and type of shares of common stock (or other securities or property) subject to outstanding awards or in the number and type of shares of restricted stock or deferred stock or (ii) to the terms and conditions of (including the grant or exercise price) and the criteria included in, outstanding awards or future awards.

If there is a nonreciprocal transaction between the Company and its stockholders, such as a stock dividend, stock split, spin-off, rights offering or recapitalization through a large, nonrecurring cash dividend, that affects the shares of common stock (or other securities of the Company) or the stock price of common stock (or other securities) and causes a change in the per share value of the common stock underlying outstanding awards, then the Administrator will make equitable adjustments to the number and type of securities subject to each outstanding award under the Amended Equity Plan, and the exercise price or grant price of such outstanding award (if applicable). The Administrator will make other equitable adjustments it determines are appropriate to reflect such an event with respect to the aggregate number and kind of shares that may be issued under the Amended Equity Plan. The Company may refuse to permit the exercise of any award during a period of 30 days prior to the consummation of any such transaction.

[Table of Contents](#)

Effect of a Change in Control

In the event of a change in control of the Company, each outstanding award will continue in effect or be assumed or substituted. If, in a change in control, an award continues in effect or is assumed or substituted, and the holder has a termination of service by the Company or its successor without Cause (as defined in the Plan) within twelve months following the change in control, then the award will fully vest. If the successor corporation in a change in control refuses to assume or substitute an outstanding award, the Administrator may cause the award to fully vest immediately prior to the consummation of the change in control and shall notify the holder that the award will be fully exercisable for a period of 15 days from the date of the notice, contingent on the occurrence of the change in control, and the award will terminate upon the expiration of such period.

Amendment and Termination

The Administrator, subject to approval of the board, may terminate, amend or modify the Amended Equity Plan at any time; *provided, however*, that stockholder approval will be obtained (i) to increase the number of shares of common stock available under the Amended Equity Plan, (ii) to reduce the per share exercise price of any outstanding option or SAR, and (iii) cancel any option or SAR in exchange for cash or another award when the option or SAR price per share exceeds the fair market value of the underlying shares of common stock. Generally, no amendment, suspension or termination of the Amended Equity Plan shall, without the consent of the holder, impair any rights or obligations under any awards unless the award itself expressly provides.

In no event may an award be granted pursuant to the Amended Equity Plan on or after the tenth anniversary of the date the Amended Equity Plan was adopted by the board.

Federal Income Tax Consequences

The U.S. federal income tax consequences of the Amended Equity Plan under current federal law, which is subject to change, are summarized in the following discussion of the general tax principles applicable to the Amended Equity Plan. This summary is not intended to be exhaustive and, among other considerations, does not describe state, local, or foreign tax consequences. Tax considerations may vary from locality to locality and depending on individual circumstances.

Section 409A of the Code. Certain types of awards under the Amended Equity Plan, including deferred stock and RSUs, may constitute, or provide for, a deferral of compensation subject to Section 409A of the Code. Unless certain requirements set forth in Section 409A are complied with, holders of such awards may be taxed earlier than would otherwise be the case (e.g., at the time of vesting instead of the time of payment) and may be subject to an additional 20% penalty tax (and, potentially, certain interest penalties). To the extent applicable, the Amended Equity Plan and awards granted under the plan will be structured and interpreted to comply with, or be exempt from, Section 409A of the Code and the Department of Treasury regulations and other interpretive guidance that may be issued under Section 409A. To the extent determined necessary or appropriate by the Administrator, the Amended Equity Plan and applicable award agreements may be amended without award holder consent to exempt the applicable awards from Section 409A of the Code or to comply with Section 409A.

Non-Qualified Stock Options. For federal income tax purposes, if participants are granted non-qualified stock options under the Amended Equity Plan, participants generally will not have taxable income on the grant of the option, nor will we be entitled to any deduction. Generally, on exercise of non-qualified stock options, participants will recognize ordinary income, and the Company will be entitled to a deduction, in an amount equal to the difference between the option exercise price and the fair market value of the common stock on the date of exercise. The basis that participants have in shares of common stock, for purposes of determining their gain or loss on subsequent disposition of such shares of common stock generally, will be the fair market value of the shares of common stock on the date the participants exercise their options. Any subsequent gain or loss will be generally taxable as capital gains or losses.

[Table of Contents](#)

Incentive Stock Options. There is no taxable income to participants when participants are granted an incentive stock option or when that option is exercised. However, the amount by which the fair market value of the shares of common stock at the time of exercise exceeds the option price will be an “item of adjustment” for participants for purposes of the alternative minimum tax. Gain realized by participants on the sale of an incentive stock option is taxable at capital gains rates, and no tax deduction is available to the Company, unless participants dispose of the shares of common stock within (i) two years after the date of grant of the option or (ii) within one year of the date the shares of common stock were transferred to the participant. If the shares of common stock are sold or otherwise disposed of before the end of the one-year and two-year periods specified above, the difference between the option exercise price and the fair market value of the shares of common stock on the date of the option’s exercise (or the date of sale, if less) will be taxed at ordinary income rates, and the Company will be entitled to a deduction to the extent that participants must recognize ordinary income. If such a sale or disposition takes place in the year in which participants exercise their options, the income such participants recognize upon sale or disposition of the shares of common stock will not be considered income for alternative minimum tax purposes.

Incentive stock options exercised more than three months after a participant terminates employment, other than by reason of death or disability, will be taxed as a non-qualified stock option, and the participant will have been deemed to have received income on the exercise taxable at ordinary income rates. The Company will be entitled to a tax deduction equal to the ordinary income, if any, realized by the participant.

Restricted Stock. For federal income tax purposes, the grantee generally will not have taxable income on the grant of restricted stock, nor will the Company then be entitled to any deduction, unless the grantee makes a valid election under Section 83(b) of the Code. However, when restrictions on shares of restricted stock lapse, such that the shares are no longer subject to a substantial risk of forfeiture, the grantee generally will recognize ordinary income, and the Company will be entitled to a corresponding deduction, for an amount equal to the difference between the fair market value of the shares at the date such restrictions lapse over the purchase price for the restricted stock.

Stock Appreciation Rights. No taxable income is realized upon the receipt of a SAR, but upon exercise of the SAR, the fair market value of the shares of common stock received, determined on the date of exercise of the SAR, or the amount of cash received in lieu of shares, must be treated as compensation taxable as ordinary income to the grantee in the year of such exercise. The Company will be entitled to a deduction for compensation paid in the same amount which the grantee realized as ordinary income.

Performance Awards. The grantee generally will not realize taxable income at the time of the grant of the performance award, and the Company will not be entitled to a deduction at that time. When the award is paid, whether in cash or common stock, the grantee will have ordinary income, and the Company will be entitled to a corresponding deduction.

The grantee will generally recognize ordinary income at the time a performance cash-based bonus award is paid to the grantee. The Company will be entitled to a tax deduction equal to the ordinary income, if any, realized by the participant.

Dividend Equivalents. The grantee generally will not realize taxable income at the time of the grant of the dividend equivalents, and the Company will not be entitled to a deduction at that time. When a dividend equivalent is paid, the grantee will recognize ordinary income, and the Company will be entitled to a corresponding deduction.

Stock Payments. If the grantee receives a stock payment in lieu of a cash payment that would otherwise have been made, he or she generally will be taxed as if the cash payment has been received, and the Company will have a deduction in the same amount.

[Table of Contents](#)

Deferred Stock. The grantee generally will not have taxable income upon the issuance of the deferred stock and the Company will not then be entitled to a deduction. However, when deferred stock vests and is issued to the grantee, he or she will realize ordinary income and the Company will be entitled to a deduction in an amount equal to the difference between the fair market value of the shares at the date of issuance over the purchase price, if any, for the deferred stock. Deferred stock may be subject to Section 409A of the Code, and the failure of any award of deferred stock that is subject to Section 409A to comply with Section 409A may result in taxable income to the grantee upon the grant or vesting of the award. Furthermore, an additional 20% penalty tax may be imposed pursuant to Section 409A of the Code, and certain interest penalties may apply.

Deferred Stock Units. The grantee generally will not realize taxable income at the time of the grant of the deferred stock units, and the Company will not be entitled to a deduction at that time. When the award is paid, whether in cash or common stock, the grantee will have ordinary income, and the Company will be entitled to a corresponding deduction. Deferred stock units may be subject to Section 409A of the Code, and the failure of any award of deferred stock units that is subject to Section 409A to comply with Section 409A may result in taxable income to the grantee upon the grant or vesting of the award. Furthermore, an additional 20% penalty tax may be imposed pursuant to Section 409A of the Code, and certain interest penalties may apply.

Restricted Stock Units. The grantee generally will not realize taxable income at the time of the grant of the RSUs, and the Company will not be entitled to a deduction at that time. When an award is paid, whether in cash or common stock, the grantee will have ordinary income, and the Company will be entitled to a corresponding deduction. RSUs may be subject to Section 409A of the Code, and the failure of any RSU that is subject to Section 409A to comply with Section 409A may result in taxable income to the grantee upon vesting (rather than at such time as the award is paid). Furthermore, an additional 20% penalty tax may be imposed under Section 409A of the Code, and certain interest penalties may apply.

Section 162(m) of the Code. As described above, in general, under Section 162(m) of the Code, income tax deductions of publicly-held corporations may be limited to the extent total compensation (including base salary, annual bonus, stock option exercises and non-qualified benefits) for certain executive officers exceeds \$1.0 million (less the amount of any “excess parachute payments” as defined in Section 280G of the Code) in any taxable year of the corporation, subject to the exception for qualified performance-based compensation discussed above. The Amended Equity Plan has been designed to permit the Administrator to grant stock options, SARs and performance-based awards which may qualify as “qualified performance-based compensation.”

THE BOARD RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THE ADOPTION OF THE AMENDED AND RESTATED 2012 EQUITY AND INCENTIVE PLAN.

Proposal No. 3

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our board is responsible for the appointment, compensation, retention and oversight of the work of our independent registered public accounting firm. The Audit Committee has appointed Deloitte & Touche LLP as our independent registered public accounting firm for fiscal year 2014 and our board recommends that our stockholders ratify the appointment of Deloitte & Touche LLP at the annual meeting. Deloitte & Touche LLP has audited our financial statements since our fiscal year 2006 financial statements. Representatives of Deloitte & Touche LLP are expected to be present at the annual meeting with the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions from stockholders.

Stockholder ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, our board is submitting the appointment of Deloitte & Touche LLP to the stockholders entitled to vote at the annual meeting for ratification as a matter of good corporate governance. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

Board Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE RATIFICATION OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2014.

The Audit Committee has considered whether the provision of the above noted services by Deloitte & Touche LLP is compatible with maintaining the independent registered public accounting firm's independence and has determined that the provision of such services by Deloitte & Touche LLP has not adversely affected the independent registered public accounting firm's independence.

Policy on Audit Committee Pre-Approval

As part of its required duties, the Audit Committee pre-approves audit and non-audit services performed by our independent registered public accounting firm to ensure that the provision of such services does not impair the independent registered public accounting firm's independence. Pre-approval may be given as part of the Audit Committee's approval of the scope of the engagement of the independent registered public accounting firm or on an individual basis. The pre-approval of services may be delegated to one or more of the Audit Committee's members, but the decision must be presented to the full Audit Committee at a subsequent meeting. All services provided by our independent registered public accounting firm in fiscal 2013 were pre-approved in accordance with the Audit Committee's pre-approval requirements.

Composition and Governance of the Board of Directors

Corporate Governance Guidelines. Our board has adopted corporate governance guidelines that provide a framework for overall governance practices. These guidelines can be found in the Investor Relations section of our website at www.tillys.com. In addition, these guidelines are available in print to any stockholder who requests a copy by written request to Tilly's, Inc., Attention: Secretary, 10 Whatney, Irvine, CA 92618.

Board Size. Our bylaws provide that our board shall consist of at least one member, with the exact number of directors to be determined by resolution of our board. Our board currently consists of six members.

[Table of Contents](#)

Independence. We are a “controlled company” as defined in applicable NYSE rules. Under NYSE rules, a “controlled company” may elect not to comply with certain NYSE corporate governance requirements, including (1) the requirement that a majority of our board consist of independent directors, (2) the requirement that our Nominating and Corporate Governance Committee be composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities, (3) the requirement that our Compensation Committee be composed entirely of independent directors with a written charter addressing the committee’s purpose and responsibilities and (4) the requirement for an annual performance evaluation of the Nominating and Corporate Governance and the Compensation Committees. Currently we do not utilize any of the aforementioned exemptions available to controlled companies, though we reserve the right to do so in the future. As discussed below, at all times during fiscal 2013 we had a board comprised of a majority of independent directors. Furthermore, each member of our standing board committees (Audit, Compensation and Nominating and Corporate Governance) was, during fiscal 2013, and is currently independent under applicable NYSE and SEC rules.

Our board performs an analysis, at least annually, as to whether each member of our board is independent. We have adopted the definition of “independence” set forth in applicable NYSE rules. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, with us, our senior management and our independent registered public accounting firm, our board has determined that all but two of our directors, Messrs. Shaked and Griesemer, are independent directors under applicable NYSE rules and such directors were independent throughout fiscal 2013.

Executive Sessions. We expect that our independent directors will hold at least two executive sessions per year. An independent director will preside over each executive session of the independent directors. The presiding director will rotate among each of the chairs of the board committees.

Board Meetings and Attendance. Our board met eight times during fiscal 2013. No director attended fewer than 75% of the aggregate of the total number of meetings held by our board and the total number of meetings held by all committees of our board on which such director served during fiscal 2013. The Company strongly encourages its directors to attend its annual meetings of stockholders. All of our directors attended our 2013 annual meeting.

Board Leadership Structure. Our board does not have a policy with respect to whether the role of the Chairman and the Chief Executive Officer should be separate and, if it is to be separate, whether the Chairman should be selected from the non-employee directors or be an employee. Mr. Shaked, our co-founder and Chief Strategy Officer, currently serves as Executive Chairman of the Board and Mr. Griesemer currently serves as our President and Chief Executive Officer. The Board has determined that this is the appropriate leadership structure for the Company at this time because it permits our CEO to focus on our day-to-day leadership and performance, while permitting the Executive Chairman to focus on setting the strategic direction of the Company and establishing the agenda for board meetings. Mr. Shaked is also uniquely positioned to serve as our Executive Chairman as our co-founder with significant industry experience and depth of knowledge about our operations. We do not have a formally designated “lead director.” Our board acknowledges that no single leadership model is right for all companies at all times. As such, our board periodically reviews its leadership structure and may, depending on the circumstances, choose a different leadership structure in the future.

Term of Service for Directors. Until the date all shares of our Class B common stock are converted to Class A common stock or otherwise cease to be outstanding, referred to as the Full Conversion Date, the members of our board will be elected at annual meetings of the stockholders and hold office until the next annual meeting of the stockholders. Our Amended and Restated Certificate of Incorporation provides that on the Full Conversion Date, our board will be divided into three classes to be comprised of the directors in office, with each class serving for a staggered three-year term. From the Full Conversion Date, Class I directors will serve an initial one-year term expiring at the first annual meeting of stockholders following the Full Conversion Date. Class II directors will serve an initial two-year term expiring at the second annual meeting of stockholders

[Table of Contents](#)

following the Full Conversion Date. Class III directors will serve an initial three-year term expiring at the third annual meeting of stockholders following the Full Conversion Date. Upon the expiration of the initial term of each class of directors, the directors in that class will be eligible to be elected for a new three-year term. Our directors will hold office until their successors have been elected and qualified or until their earlier death, resignation, disqualification or removal. Executive officers are appointed by and serve at the direction of our board.

Communication with the Board of Directors

Our annual meeting of stockholders provides an opportunity for stockholders to ask questions of, or otherwise communicate directly with, members of the board on appropriate matters. In addition, stockholders or other interested parties may communicate in writing with our Executive Chairman or to our non-management directors by sending such written communication to our Secretary at Tilly's, Inc., Attn: Secretary, 10 Whatney, Irvine, California 92618. Copies of written communications received at such address will be provided to the board or the relevant director unless such communications are considered, in the reasonable judgment of our Secretary, to be inappropriate for submission to the intended recipient(s). Examples of stockholder or interested party communications that would be considered inappropriate for submission to the board include, without limitation, customer complaints, personal grievances, solicitations, communications that do not relate directly or indirectly to our business or communications that relate to improper or irrelevant topics. The Secretary may analyze and prepare a response to the information contained in communications received and may deliver a copy of the communication to other Company staff members or agents who are responsible for analyzing or responding to complaints or requests.

Committees of the Board of Directors

We currently have three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The charters of our standing board committees are available on our website, at www.tillys.com, in the Investor Relations section.

The composition of the standing committees of our board during fiscal 2013 and currently is set forth in the table below ("C" indicates Chair and "M" indicates Member of the respective committee):

<u>Director</u>	<u>Audit</u>	<u>Compensation</u>	<u>Nominating & Corporate Governance</u>
Hezy Shaked	—	—	—
Daniel Griesemer	—	—	—
Doug Collier	M	M	M
Seth Johnson	C	—	M
Janet Kerr	—	M	C
Bernard Zeichner	M	C	—

Audit Committee

Our Audit Committee consists of Messrs. Johnson (Chairperson), Collier and Zeichner, each of whom served as a member of the committee throughout fiscal 2013. Our board has determined that each member of the Audit Committee meets the financial literacy and experience requirements of applicable SEC and NYSE rules. In addition, our board has determined that Messrs. Collier and Johnson both qualify as an "audit committee financial expert" under the rules and regulations of the SEC and each are independent under applicable rules of the NYSE and SEC. Our independent auditors and our internal finance personnel regularly meet privately with, and have unrestricted access to, our Audit Committee. The Audit Committee met thirteen times during fiscal 2013.

[Table of Contents](#)

Our Audit Committee charter requires that the Audit Committee oversee our corporate accounting and financial reporting processes. The primary duties of our Audit Committee are to, among other things:

- evaluate our independent registered public accounting firm’s qualifications, independence and performance;
- determine the engagement and compensation of our independent registered public accounting firm;
- approve the retention of our independent public registered accounting firm to perform any proposed, permissible non-audit services;
- monitor the rotation of partners and managers of the independent registered accounting firm on our engagement team as required;
- review our consolidated financial statements;
- review our critical accounting policies and estimates;
- meet periodically with our management and internal audit team to consider the adequacy of our internal controls and the objectivity of our financial reporting;
- establish procedures for the receipt, retention and treatment of complaints regarding internal accounting controls or auditing matters and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;
- review on an ongoing basis and approve related party transactions, as defined in SEC and NYSE rules;
- prepare the reports required by the rules of the SEC to be included in our annual proxy statement; and
- discuss with our management and our independent registered public accounting firm the results of our annual audit and the review of our quarterly consolidated financial statements.

Compensation Committee

Our Compensation Committee consists of Messrs. Zeichner (Chairperson) and Collier, and Ms. Kerr, each of whom served as a member of the committee throughout fiscal 2013. Our board has determined that each of these directors is independent under applicable NYSE rules, and each qualifies as a non-employee director and an outside director for purposes of Rule 16b-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), respectively. The Compensation Committee met four times during fiscal 2013. The primary duties of the Compensation Committee are to, among other things:

- establish overall employee compensation policies and recommend to our board major compensation programs;
- review and approve the compensation of our corporate officers and directors, including salary and bonus awards;
- administer our various employee benefit, cash and equity incentive programs;
- review and approve any officer employment agreement and severance arrangement; and
- prepare an annual report on executive compensation for inclusion in our proxy statement.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee consists of Ms. Kerr (Chairperson), and Messrs. Collier and Johnson, each of whom served as a member of the committee throughout fiscal 2013. The Nominating and Corporate Governance Committee met five times during fiscal 2013. The primary duties of the Nominating and Corporate Governance Committee are to, among other things:

- establish standards for service on our board and nominating guidelines and principles;

[Table of Contents](#)

- identify individuals qualified to become members of our board and recommend director candidates for election to our board;
- consider and make recommendations to our board regarding its size and composition, committee composition and structure and procedures affecting directors;
- establish policies regarding the consideration of any director candidates recommended by our stockholders, and the procedures to be followed by the stockholders in submitting such recommendations;
- evaluate and review the performance of existing directors;
- review executive officer and director indemnification and insurance matters;
- evaluate and review the company's enterprise risk management policy and risk exposure; and
- monitor our corporate governance principles and practices and make recommendations to our board regarding governance matters, including our Amended and Restated Certificate of Incorporation, Bylaws and charters of our committees.

While the Nominating and Corporate Governance Committee does not have any specific, minimum qualifications for board nominees, in considering possible candidates for election as a director, the committee strives to compose a board with a collection of complementary skills and which, as a group, will possess the appropriate skills and experience to effectively oversee the Company's business. In evaluating a potential candidate for our board, our Nominating and Corporate Governance Committee takes into account a number of factors, including: personal and professional integrity; ethics and values; experience in corporate management, such as current or past service as an officer of a publicly held company; and a general understanding of marketing, finance, and other elements relevant to the success of a publicly traded company; experience in the Company's industry; experience as a board member of another publicly held company; academic expertise in an area of the Company's operations; and practical and mature business judgment, including the ability to make independent analytical inquiries. Although diversity may be a consideration in the Nominating and Corporate Governance Committee's process, the committee does not have a formal policy regarding the consideration of diversity in identifying director nominees. The Nominating and Corporate Governance Committee will review the qualifications and backgrounds of directors and nominees (without regard to whether a nominee has been recommended by a stockholder), as well as the overall composition of our board, and recommend the slate of directors to be nominated for election at the next annual meeting of stockholders. The Nominating and Corporate Governance Committee does not currently employ or pay a fee to any third party to identify or evaluate, or assist in identifying or evaluating, potential director nominees.

If our board determines to seek additional directors for nomination, the Nominating and Corporate Governance Committee will consider as potential director nominees candidates recommended by various sources, including any member of our board or senior management. The Nominating and Corporate Governance Committee may also retain a third-party search firm to identify candidates. The committee also considers recommendations for nominees that are timely submitted by stockholders if such recommendations are delivered in the manner prescribed by the advance notice provisions contained in our bylaws. In addition to satisfying the timing, ownership and other requirements specified in our bylaws, a stockholder's notice must set forth as to each person whom the stockholder proposes to recommend all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, pursuant to Regulation 14A under the Exchange Act and our bylaws (including such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected). Properly communicated stockholder recommendations will be considered in the same manner as recommendations received from other sources.

Risk Oversight

Our board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. Management is responsible for the Company's day-to-day risk management activities. The Company, through its internal auditor, has established an enterprise risk framework for identifying, aggregating, quantifying and evaluating risk across the enterprise. The review of risk management is a periodic agenda item for the Nominating and Corporate Governance Committee.

Our other board committees also consider and address risk as they perform their committee responsibilities. For example, our Compensation Committee discusses and reviews compensation arrangements for the Company's executive officers to avoid incentives that would promote excessive risk-taking that reasonably would have a material adverse effect on the Company (see "Compensation Risk Assessment" below), and the Nominating and Corporate Governance Committee oversees risks associated with operations of the board and its governance structure. In addition, at each regular Audit Committee meeting the Company's General Counsel reports on significant litigation, regulatory, public policy and other legal risks that may affect the Company. Our entire board monitors risks through regular reports from each of the committee chairs and members of management, and is apprised of particular risk management matters in connection with its general oversight and approval of corporate matters. We believe the division of risk management responsibilities described above is an effective approach for evaluating and addressing the risks facing the Company and that our board leadership structure supports this approach because it allows our independent directors, through the independent board committees, to exercise effective oversight of the actions of management.

Compensation Risk Assessment

In March 2014, management assessed our compensation design, policies and practices to determine whether any risks arising from our compensation design, policies and practices are reasonably likely to have a material adverse effect on us. The Compensation Committee reviewed and agreed with management's conclusion that our compensation policies and practices do not create such risks. In doing so, the Compensation Committee considered various features of our compensation policies and practices that discourage excessive or unnecessary risk taking, including but not limited to the following:

- appropriate pay philosophy, peer group and other market comparability data, and market positioning to align with and support business objectives;
- effective balance in the design of our compensation programs, including: (i) cash and equity pay mix, (ii) short-and longer-term performance focus, (iii) corporate, business unit, and individual performance focus and measurement; and (iv) financial and non-financial performance measurement together with top management and board discretion to manage pay appropriately; and
- stock grant guidelines, stock ownership guidelines, an incentive plan clawback policy, and independent Compensation Committee oversight of our compensation policies and practices.

Code of Ethics and Business Conduct

We have adopted a code of ethics and business conduct, which applies to all of our employees, executive officers and directors. Our code of ethics and business conduct is available on our website, at www.tillys.com, in the Investor Relations section. We will disclose future amendments to certain provisions of our code of ethics and business conduct, or waivers of such provisions, applicable to our directors and executive officers, at the same location on our website identified above.

DIRECTOR COMPENSATION

Our non-employee directors currently receive annual cash retainers for their service on the board and the board's standing committees, and an annual equity grant in the form of restricted shares of Class A common stock, as discussed below. In March 2013, the Compensation Committee reviewed our non-employee director compensation program and determined not to make any changes for fiscal 2013.

Our non-employee directors receive the following annual cash retainers for their service on the board:

	<u>Annual Retainer to be Paid</u>
Service on board	\$ 40,000
Chairperson of standing committee:

Nominating and Corporate Governance Committee	\$ 12,000
Members of standing committee:

Annual service for retainer purposes relates to the approximate 12-month period between annual meetings of our stockholders and all retainers are paid in quarterly installments. A prorated annual retainer will be paid to any person who becomes a member of our board, a committee chair or a member of any committee on a date other than the date of the annual meeting of our stockholders. Additionally, we will reimburse directors for reasonable expenses incurred in connection with their duties.

In addition, each non-employee director will receive an annual restricted stock award grant under the Plan having a fair value at the time of grant equal to \$80,000, which will vest in two equal installments on each of the succeeding two anniversaries of the grant date. Each non-employee director received a grant of 4,944 shares of restricted stock on June 12, 2013.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and the NYSE. Executive officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms furnished to us and the written representations from certain of the reporting persons that no other reports were required, we believe that during the fiscal year ended February 1, 2014, all executive officers, directors and greater than ten percent beneficial owners complied with the reporting requirements of Section 16(a), except that each of the HS Annuity Trust, TL Annuity Trust and Hezy Shaked, as manager of Reid Investments, LLC, filed one late Form 4 relating to the sales on June 18, 2013 by each of the HS Annuity Trust and TL Annuity Trust of 195 shares of Class A common stock, and by Mr. Shaked (through Reid Investments, LLC), of 98 shares of Class A common stock.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis section discusses the material elements of the compensation programs and policies in place for our named executive officers, or NEOs, during fiscal year 2013. For fiscal year 2013, we had six NEOs, as follows:

- Hezy Shaked, our Co-Founder, Executive Chairman of the Board of Directors and Chief Strategy Officer;
- Daniel Griesemer, our President and Chief Executive Officer;
- Jennifer Ehrhardt, our Chief Financial Officer;
- Debbie Anker-Morris, our Vice President and General Merchandising Manager;
- Craig DeMerit, our Vice President, Chief Information Officer and Chief Operating Officer; and
- Bill Langsdorf, our former Senior Vice President and Chief Financial Officer.

Specifically, this section provides an overview of our executive compensation philosophy, the overall objectives of our executive compensation program and each compensation component that we provide. Each of the key elements of our executive compensation program is discussed in more detail below. Our compensation programs are designed to be flexible and complementary and to collectively serve the principles and objectives of our executive compensation and benefits program.

Role of our Compensation Committee and President and Chief Executive Officer in Compensation Decisions

Our Compensation Committee reviews and approves the future compensation of our NEOs and oversees and administers our executive compensation programs and policies. As we gain experience as a public company, we expect that the specific direction, emphasis and components of our executive compensation program will continue to evolve. Accordingly, the compensation paid to our NEOs for fiscal year 2013 is not necessarily indicative of how we will compensate our NEOs going forward.

The Compensation Committee annually reviews and meets outside the presence of all of our executive officers, including our NEOs, to consider appropriate compensation for our President and Chief Executive Officer. Our President and Chief Executive Officer reviews annually each of the other NEO's performance with the Compensation Committee and recommends appropriate compensation levels, which the Compensation Committee takes into account as one factor in its determinations regarding executive compensation. In addition, Mr. Shaked, given his tenure with the company and his role in shaping compensation historically, continues to have a purely advisory role in discussions with the Compensation Committee with respect to NEO compensation. In the context of such annual reviews and further periodic reviews as deemed necessary, and in addition to a review of other factors discussed below, the Compensation Committee assesses the proper mix of base salary, cash incentive awards and grants of long-term equity incentive awards, levels of compensation and appropriate individual and corporate performance metrics in furtherance of the objectives and principles described below.

Our Compensation Committee may consider additional factors in determining executive compensation, including comparing our executives' compensation against executive compensation at a peer group of comparable companies. In furtherance of this objective, we previously engaged J. Richard & Co., an independent executive compensation and consulting firm, to advise management in its efforts to construct, from publicly available data, a peer group of companies to be used for compensation purposes in preparation for our initial public offering in May 2012, and to provide market compensation data on such peer group companies, supplemented by survey data, as appropriate, and general market trends and developments. Management used the

[Table of Contents](#)

information previously provided by J. Richard & Co. and other resources and tools to develop compensation recommendations presented to our Compensation Committee for fiscal 2013. While no additional work was performed by the consultant for the 2013 fiscal year, the Compensation Committee believes that there was no conflict of interest raised by the work performed by J. Richard & Co.

Compensation Philosophy and Objectives

Our Compensation Committee strives to create an executive compensation program that balances short-term versus long-term payments and awards, cash payments versus equity awards and fixed versus contingent payments and awards in ways that we believe are most appropriate to motivate our executive officers. Our philosophy is that executive compensation should be competitive in the marketplace in which we compete for executive talent, and structured to emphasize incentive-based compensation as determined by the achievement of both company and individual performance objectives. The retail industry is extremely competitive and in order to continue to succeed we believe we need a highly talented and seasoned team of sales, marketing, buying, financial and other business professionals. We recognize that our ability to attract and retain these professionals, as well as to grow our organization, largely depends on how we compensate and reward our employees.

The goals of our executive compensation program are to:

- attract and retain talented and experienced executives in our industry;
- motivate and reward executives whose knowledge, skills and performance are critical to our success;
- align compensation incentives with our business and financial objectives and the long-term interests of our stockholders;
- foster a shared commitment among executives by aligning their individual goals with the goals of the executive management team and our company; and
- ensure that our total compensation is fair, reasonable and competitive.

Elements of 2013 Compensation

During fiscal year 2013, our NEOs' total direct compensation, which was determined by our Compensation Committee, included both fixed components (base salary, other executive benefits and perquisites) and variable components (annual incentive cash bonuses and stock option grants). The following describes each component of compensation, the rationale for that component and how the compensation amounts were determined.

Base Salary

Base salaries historically have been the most heavily weighted component of compensation for our executive officers as a percentage of total compensation, and this remained true in fiscal year 2013. Base salary levels are designed to be competitive in order to induce talented executives to join our company. In addition, base salaries support our retention objective by providing our executive officers with steady cash flow during the course of the fiscal year that is not contingent on short-term variations in our corporate performance.

The base salary established for each of our NEOs is intended to reflect each individual's professional responsibilities, the skills and experience required for the job, their individual performance, the performance of our business, labor market conditions and competitive market salary levels.

Base salary levels for our NEOs in fiscal year 2013 were determined by our Compensation Committee as part of its annual review process, and were set as follows:

- Mr. Shaked: \$400,000, which was the base salary he received in fiscal year 2012;
- Mr. Griesemer: \$700,000, which was the base salary he received in fiscal 2012;

[Table of Contents](#)

- Ms. Ehrhardt: \$300,000, which was her base salary when she joined the company in 2013;
- Ms. Anker-Morris: \$330,000, which was approximately 1.5% higher than the base salary she received in fiscal year 2012;
- Mr. DeMerit: \$330,000, which was approximately 17.9% higher than the base salary he received in fiscal year 2012; and
- Mr. Langsdorf: \$375,000, which was the base salary he received in fiscal year 2012;

The base salary increases for Ms. Anker-Morris and Mr. DeMerit were, in part, designed to maintain their level of income with respect to cost of living increases and, in the case of Mr. DeMerit, to reward him for his increased responsibilities and management activities during the 2013 fiscal year following his promotion in fiscal 2011 to Chief Operating Officer.

Annual Incentive Cash Bonus

In March 2013, our Compensation Committee approved an incentive cash bonus plan for certain employees, including our NEOs. For fiscal 2013, the committee approved performance measures of operating income (excluding stock-based compensation expense) and comparable store sales increase for all NEOs other than our CEO, as described below. Mr. Griesemer's bonus was determined based solely on our achievement of a pre-established level of operating income, consistent with the measures applied in his initial year of hire. The committee selected these performance measures because it believes they are important drivers of stockholder returns and thus serve to align the interests of our NEOs with those of our stockholders. Under the terms of the fiscal 2013 plan, no payouts would be made until audited financial results were received, reviewed and approved by the Audit Committee after our fiscal year end.

For each of the performance measures of operating income and comparable store sales increase, the Compensation Committee established minimum, target and maximum performance thresholds for the NEOs. The minimum performance threshold related to a minimum acceptable level of financial performance. Each succeeding threshold was designed to reward the NEOs based upon the improved financial performance of the business.

The following table shows the performance thresholds for each measure for fiscal 2013:

	Performance Threshold		
	Minimum	Target	Maximum
Comparable store sales growth	2.9%	4.5%	6.0%
Operating income, excluding stock-based compensation expense (in millions)	\$ 42.6	\$47.3	\$ 54.0

The following table represents the percentage of the respective NEO's base salary that will be earned upon achievement of the performance thresholds. The incentive cash bonus amount increases in a linear manner between the minimum threshold and the target threshold and between the target threshold and the maximum threshold.

	Hezy Shaked & Daniel Griesemer	Jennifer Ehrhardt	Debbie Anker- Morris	Craig DeMerit
Minimum	0%	0%	0%	0%
Target	100%	30%	40%	40%
Maximum	200%	60%	80%	80%

[Table of Contents](#)

The Compensation Committee weighted operating income 75% and comparable store sales increase 25% in the structure of the cash incentive bonus, except for our Chief Executive Officer as described above. For fiscal 2013, the target cash bonuses for our NEOs were as follows: Hezy Shaked (\$400,000); Daniel Griesemer (\$700,000); Jennifer Ehrhardt (\$62,300 prorated for the portion of the year she was employed by the company); Debbie Anker-Morris (\$132,000); Craig DeMerit (\$132,000); and Bill Langsdorf (\$187,500).

For fiscal 2013, we did not achieve the minimum thresholds established under the 2013 plan for comparable store sales growth or our operating income excluding stock-based compensation expense. As a result, the Compensation Committee did not approve the payout of any incentive cash bonuses to our NEOs.

Retention Bonus

Ms. Ehrhardt received a retention bonus of \$75,000 in August 2013 in connection with her promotion to Chief Financial Officer. Under the terms of her offer letter, if Ms. Ehrhardt resigns for any reason or is terminated with cause prior to completing two years of employment with us, 1/24 of the retention bonus will be considered earned and forgiven for every full calendar month worked past August 1, 2013 and, within 30 days of the last day of her employment, Ms. Ehrhardt must repay the remaining unearned amount of the retention bonus.

Long-Term Equity-Based Compensation

We believe that long-term equity-based compensation is an important component of our executive compensation program. In addition, providing a portion of our NEOs' total compensation package in long-term equity-based compensation aligns the incentives of our executives with the interests of our stockholders and with our long-term corporate success.

On March 25, 2013, we made grants of stock options to certain of our NEOs under the Plan. The exercise price of these stock options is \$12.82, the closing price of our common stock on the date of grant, and the options vest in equal annual installments over four years from the date of grant. On June 3, 2013, Ms. Ehrhardt received a stock option grant covering 40,000 shares of our common stock in connection with joining the company. The exercise price of these stock options is \$16.24, the closing price of our common stock on the date of grant, and the options vest in equal annual installments over four years from the date of grant.

<u>Executive</u>	<u>2013 Stock Option Grant</u>
Hezy Shaked	0
Daniel Griesemer	100,000
Jennifer Ehrhardt	40,000
Debbie Anker-Morris	50,000
Craig DeMerit	100,000
Bill Langsdorf	0

These stock option grants were awarded to reflect the increased expectations for our NEOs once we became a public company in 2012, and to further align their interests with those of our stockholders.

Other Executive Benefits and Perquisites

We provide a car allowance to each of Mr. Shaked and Mr. Griesemer. Mr. Griesemer's car allowance is provided under the terms of his offer letter.

We also provide the following benefits to our executive officers on the same basis as other eligible employees:

- health insurance;

[Table of Contents](#)

- holidays and sick days; and
- a 401(k) plan with matching contributions.

The vacation benefit for executive officers is determined on an individual basis. We believe these benefits are generally consistent with those offered by other companies in our industry.

Retirement Savings

We have established a 401(k) retirement savings plan for our employees, including the NEOs, who satisfy certain eligibility requirements. Under the 401(k) plan, eligible employees may elect to contribute pre-tax amounts, up to a statutorily prescribed limit, to the 401(k) plan. For 2013, the prescribed annual limit was \$17,500. In addition, the company matches a portion of pre-tax contributions on behalf of eligible employees. For 2013, the company matched 50% of employee contributions, up to 6% of such employee's salary. We believe that providing a vehicle for tax-preferred retirement savings through our 401(k) plan adds to the overall desirability of our executive compensation package and further incents our employees, including our NEOs, in accordance with our compensation policies.

Employment Agreements and Severance Benefits

The employment of our NEOs historically has been at will, and we did not have any employment agreements or other severance arrangements with our NEOs for fiscal year 2013, other than the offer letter agreement with Mr. Griesemer and the offer letters with each of Ms. Anker-Morris, Mr. DeMerit and Ms. Ehrhardt, as discussed below. Mr. Langsdorf and Ms. Anker-Morris are parties to a Stock Option Grant Agreement in connection with stock option grants under our 2007 Plan that provides for certain severance benefits in the form of accelerated vesting of outstanding stock options, as described in further detail under the heading "*Potential Payments Upon Termination or Change in Control*".

Offer Letter With Daniel Griesemer

In January 2011, we entered into an offer letter with Mr. Griesemer related to our hiring of him as our President and Chief Executive Officer effective February 21, 2011, which includes certain provisions related to his compensation including severance benefits and change-in-control provisions. The compensation amounts and other terms of Mr. Griesemer's offer letter were highly individualized and resulted from arm's length negotiations and consideration of numerous factors as well as input from an independent third-party compensation consultant.

Under the offer letter, Mr. Griesemer's annual base salary was set initially at \$700,000, subject to annual review, and he is eligible to receive an annual incentive bonus with a target of 100% of base salary and a maximum of 200% of base salary, based on performance metrics set by the Compensation Committee. The offer letter also provides for participation in our existing employee benefit programs and an annual automobile allowance of \$18,000. Pursuant to the offer letter, Mr. Griesemer may not solicit any of our employees during the term of his employment and for one year following his date of termination.

[Table of Contents](#)

In addition, under the terms of his offer letter, Mr. Griesemer is entitled to the following severance and change-in-control benefits:

<u>Element of Severance</u>	<u>Termination Without Cause or For Good Reason</u>	<u>Death or Disability</u>	<u>Termination Without Cause or For Good Reason Upon a Change in Control</u>
<i>Base Salary</i>	12 months of base salary in effect at termination	Same	18 months of base salary in effect at termination

<i>Equity Acceleration</i>	One-year acceleration of vesting of any outstanding unvested equity awards	Not applicable	Full acceleration of vesting of any outstanding unvested equity awards

For purposes of the offer letter:

- "Cause" is defined as having: (i) been determined by a court of law to have committed any felony; (ii) been convicted, or entered a plea of no contest, for violation of any criminal statute constituting a felony, provided that our board reasonably determines that the continuation of his employment after such event would have an adverse impact on the operation or reputation of the company or its affiliates; (iii) engaged in an act of fraud, theft, embezzlement, or misappropriation against the company; (iv) committed one or more acts of gross negligence or willful misconduct, either within or outside the scope of his employment that has the effect of materially impairing the goodwill or business of the company or causing material damage to its property, goodwill or business, or would, if known, subject the company to public ridicule; (v) failed to materially perform the duties commonly associated with the position of President and Chief Executive Officer (continuing without cure for 10 days after receipt

of written notice by him from our board of the need to cure); (vi) allowed the company's performance to be materially weaker than its competitors and the retail industry generally (as determined by our board); (vii) materially breached the company's Code of Ethics and Business Conduct or other written company policies; or (viii) breached the terms of his employment agreement, after we have provided him notice and given him a reasonable opportunity to cure.

- "Good Reason" is defined as: (i) a material diminution in his duties, responsibilities or authority as President and Chief Executive Officer of the company; or (ii) the company failed to pay him material compensation or benefits that are required to be provided under his employment agreement.
- "Change in Control" is defined as an event or series of related events where a person or group of persons acting in concert acquire direct or indirect beneficial ownership of more than 50% of the total combined voting power of the outstanding voting stock of the company or the corporation or corporations to which the assets of the company were transferred, as the case may be.

Offer Letters with Debbie Anker-Morris, Craig DeMerit and Jennifer Ehrhardt

Each of Ms. Anker-Morris and Mr. DeMerit entered into an offer letter upon joining the Company. Each letter provides for at-will employment and neither Ms. Anker-Morris nor Mr. DeMerit is entitled to any severance benefit. In August 2013, we entered into an offer letter agreement with Ms. Ehrhardt in connection with her promotion to Chief Financial Officer. Under the terms of her offer letter, Ms. Ehrhardt receives an annual base salary of \$300,000 and is eligible to participate in our annual incentive bonus plan. Ms. Ehrhardt received an initial grant of 40,000 options in June 2013 in connection with her joining us as Vice President, Finance. Ms. Ehrhardt also received a \$75,000 retention bonus in August 2013, as discussed under "—Retention Bonus" above. Ms. Ehrhardt's employment is at-will and she is not entitled to any severance benefits.

Delegation of Authority to Grant Equity Awards

In September 2013, the board authorized our chief executive officer to grant to employees or new hires up to 100,000 options to purchase shares of our Class A common stock subject to the following limitations: (i) no individual recipient would be granted more than 15,000 options under this authority and (ii) this authority would expire on the date of the Compensation Committee meeting in which 2013 employee performance is reviewed, which occurred in March 2014. Our chief executive officer did not grant any options in fiscal 2013 pursuant to the aforementioned delegation of authority.

Tax and Accounting Considerations

Section 162(m) of the Internal Revenue Code

Generally, Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, disallows a tax deduction to any publicly held corporation for any individual remuneration in excess of \$1.0 million paid in any taxable year to its chief executive officer and each of its other named executive officers, other than its chief financial officer. However, remuneration in excess of \$1.0 million may be deducted if, among other things, it qualifies as "performance-based compensation" within the meaning of the Code.

If Proposal No. 2, Approval of the Amended and Restated Tilly's 2012 Equity and Incentive Award Plan, is approved, we expect Section 162(m) of the Code to apply to future awards under our Amended Equity Plan, as the transition period applicable to newly public companies will have expired.

Once Section 162(m) of the Code applies to us, we expect that, where reasonably practicable, the Compensation Committee may seek to qualify the compensation paid to our NEOs for the "performance-based compensation" exemption under Section 162(m) of the Code. As such, in approving the amount and form of compensation for our NEOs in the future, the Compensation Committee will consider all elements of the cost to

[Table of Contents](#)

us of providing such compensation, including the potential impact of Section 162(m) of the Code. The Compensation Committee may, in its judgment, authorize compensation payments that do not comply with the exemption from the deductibility limit in Section 162(m) of the Code when it believes that such payments are appropriate to attract and retain executive talent.

Section 280G of the Internal Revenue Code

Section 280G of the Code disallows a tax deduction with respect to excess parachute payments to certain executives of companies which undergo a change in control. In addition, Section 4999 of the Code imposes a 20% excise tax on the individual with respect to the excess parachute payment. Parachute payments are compensation linked to or triggered by a change in control and may include, but are not limited to, bonus payments, severance payments, certain fringe benefits, and payments and acceleration of vesting from long-term incentive plans including stock options and other equity-based compensation. Excess parachute payments are parachute payments that exceed a threshold determined under Section 280G of the Code based on the executive's prior compensation. In approving the compensation arrangements for our NEOs in the future, our Compensation Committee will consider all elements of the cost to us of providing such compensation, including the potential impact of Section 280G of the Code. However, our Compensation Committee may, in its judgment, authorize compensation arrangements that could give rise to loss of deductibility under Section 280G of the Code and the imposition of excise taxes under Section 4999 of the Code when it believes that such arrangements are appropriate to attract and retain executive talent.

ASC Topic 718

Accounting Standards Codification Topic 718, *Compensation—Stock Compensation* ("ASC Topic 718") requires us to recognize an expense for the fair value of equity-based compensation awards. Grants of stock-based compensation are accounted for under ASC Topic 718. The Compensation Committee regularly considers the accounting implications of significant compensation decisions, especially in connection with decisions that relate to equity compensation awards. As accounting standards change, we may revise certain programs to appropriately align the cost of our equity awards with our overall executive compensation philosophy and objectives.

Section 409A of the Internal Revenue Code

Section 409A of the Code requires that "nonqualified deferred compensation" be deferred and paid under plans or arrangements that satisfy the requirements of the statute with respect to the timing of deferral elections, timing of payments and certain other matters. Failure to satisfy these requirements can expose employees and other service providers to accelerated income tax liabilities, penalty taxes and interest on their vested compensation under such plans. Accordingly, as a general matter, it is our intention to design and administer our compensation and benefits plans and arrangements for all of our employees and other service providers, including our named executive officers, so that they are either exempt from, or satisfy the requirements of, Section 409A of the Code.

- (1) Salary amounts for 2012 reflect a 53-week fiscal year.
- (2) For Ms. Ehrhardt, represents a retention bonus paid in August 2013, as discussed under “—Retention Bonus” above.
- (3) Amounts reflect the grant date fair value of options granted to the NEOs, as computed in accordance with ASC Topic 718. We provide information regarding the assumptions used to calculate the value of all equity awards made to executive officers in Note 13, Stock-Based Compensation, to our consolidated audited financial statements included in our Form 10-K filed with the SEC on April 1, 2014. The Black-Scholes value of the options granted to each of the NEOs except Mr. Shaked (who did not receive an option grant in fiscal 2013) and Ms. Ehrhardt was \$6.1676; the Black-Scholes value of the option granted to Ms. Ehrhardt on June 3, 2013 was \$7.8322. There can be no assurance that awards will vest or will be exercised (if they are not exercised, no value will be realized by the individual), or that the value upon exercise will approximate the aggregate grant date fair value determined under ASC Topic 718.
- (4) Amounts represent cash-based incentives earned for the fiscal year and paid in the following year.
- (5) With respect to Mr. Shaked, other compensation in fiscal 2013 included \$22,286 for his automobile allowance and \$7,650 for the company’s 401(k) match. With respect to Mr. Griesemer, other compensation in 2013 included \$18,000 for his automobile allowance and \$7,650 for the company’s 401(k) match. Remaining amounts represent the Company’s 401(k) employee match contributions paid with respect to Ms. Ehrhardt, Mr. Langsdorf, Ms. Anker-Morris and Mr. DeMerit.
- (6) Mr. Langsdorf retired from the company effective November 1, 2013.

Pension Benefits

Our NEOs did not participate in or have account balances in qualified or nonqualified defined benefit plans sponsored by us during fiscal year 2013.

[Table of Contents](#)

Nonqualified Deferred Compensation

Our NEOs did not participate in or have account balances in nonqualified defined contribution plans or other nonqualified deferred compensation plans maintained by us during fiscal year 2013.

Potential Payments Upon Termination or Change in Control

The following table summarizes the potential payments to certain of our NEOs in four scenarios: (1) upon termination by us without cause or the executive's resignation for good reason apart from a change in control; (2) upon termination by us following the executive's permanent disability or as a result of the executive's death; (3) upon termination by us without cause or the executive's resignation for good reason upon a change in control; or (4) in the event of a change in control without a termination of employment. The amounts shown assume that such change in control and/or termination was effective as of January 31, 2014, the last business day of fiscal year 2013, and are only estimates of the amounts that would be paid to such executives. The actual amounts to be paid can be determined only at the time of such change in control or termination of employment.

<u>Name</u>	<u>Benefit</u>	<u>Without Cause or for Good Reason</u>	<u>Death or Disability</u>	<u>Without Cause or for Good Reason Upon a Change in Control</u>	<u>Change in Control</u>
Daniel Griesemer	Severance Payment	\$ 700,000(1)	\$ 700,000(1)	\$ 1,050,000(2)	\$ —
	Accelerated Equity Award Vesting(3)	—	—	—	—
	Continued Benefits(4)	16,113	16,113	16,113	—
Total Value:		<u>\$ 716,113</u>	<u>\$716,113</u>	<u>\$ 1,066,113</u>	<u>\$ —</u>

- (1) The severance payment represents an amount equal to the sum of (a) Mr. Griesemer's then-current annual base salary for 12 months, paid as salary continuation during such period, and (b) Mr. Griesemer's incentive cash bonus for fiscal year 2013, prorated for the number of days he was employed during the fiscal year and paid in a lump sum. As no incentive cash bonuses were payable for fiscal year 2013, the amount shown represents only 12 months of Mr. Griesemer's then-current annual base salary.
- (2) The severance payment represents an amount equal to the sum of (a) Mr. Griesemer's then-current annual base salary for 18 months, paid as salary continuation during such period, and (b) Mr. Griesemer's incentive cash bonus for fiscal year 2013 multiplied by 1.5, paid in a lump sum. As no incentive cash bonuses were payable for fiscal year 2013, the amount shown represents only 18 months of Mr. Griesemer's then-current annual base salary.
- (3) Represents the value of those stock options that would immediately vest as a result of Mr. Griesemer's termination. The value attributable to stock options that would vest in such event is the difference between (a) \$16.26, the exercise price of 100,000 of the options, \$15.50, the exercise price of 25,000 of the options, and \$12.82, the exercise price of 25,000 options, and (b) \$11.61, the closing price of our Class A common stock the last trading day of fiscal 2013. As the closing price of our common stock on the last trading day of fiscal 2013 was below the exercise prices, no value is shown. In the event of a termination of employment not in connection with a change in control, Mr. Griesemer is entitled to accelerated vesting of 150,000 unvested stock options that otherwise would have vested during the one year following such termination. In the event of a termination of employment in connection with a change in control, Mr. Griesemer is entitled to fully accelerated vesting of 375,000 unvested stock options.
- (4) This figure represents the amount due for Mr. Griesemer's health and other insurance benefits for twelve months following his termination of employment.

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in our Proxy Statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in our 2015 Proxy Statement, a stockholder's proposal must be received by us no later than January 1, 2015 and must otherwise comply with Rule 14a-8 under the Exchange Act.

Stockholder Proposals for 2015 Annual Meeting

Our Amended and Restated Certificate of Incorporation contains an advance notice provision with respect to matters to be brought at an annual meeting of stockholders and not included in our Proxy Statement. Our Amended and Restated Bylaws expand upon and supplement the advance notice provisions in our Amended and Restated Certificate of Incorporation. Pursuant to our Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws, only such business shall be conducted at an annual meeting of stockholders as is properly brought before the meeting. For business to be properly brought before our 2015 annual meeting of stockholders, in addition to any other applicable requirements, timely notice of the matter must be first given to our Secretary. To be timely, written notice must be received by our Secretary no later than March 13, 2015 (90 days before the one-year anniversary of our 2014 annual meeting) and no earlier than February 11, 2015 (120 days prior to the one-year anniversary of the 2014 annual meeting); provided, however, that if the date of the 2015 annual meeting is more than 30 days before or more than 60 days after such anniversary date, the notice must be received by our Secretary not later than the 90th day prior to such annual meeting or, if later, the tenth day following the day on which public disclosure of the date of such annual meeting was first made. While our board will consider proper stockholder proposals that are properly brought before the annual meeting, we reserve the right to omit from our 2015 proxy statement stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8 thereunder.

Stockholder Nominations of Directors

Our Amended and Restated Certificate of Incorporation provides that any stockholder entitled to vote for the election of directors at a meeting of stockholders may nominate persons for election as directors only if timely written notice of such stockholder's intent to make such nomination is timely given in proper form to our Secretary, at Tilly's, Inc., Attn: Secretary, 10 Whatney, Irvine, California 92618. A stockholder's notice to our Secretary concerning the nomination of persons for election as directors must set forth the information required by our Amended and Restated Certificate of Incorporation and Bylaws.

In the alternative, stockholders can at any time recommend for consideration by our Nominating and Corporate Governance Committee qualified candidates for our board that meet the qualifications described in this Proxy Statement under the heading "Corporate Governance – Nominating and Corporate Governance Committee" by submitting to us any recommendations for director candidates, along with appropriate biographical information, a brief description of such candidate's qualifications and such candidate's written consent to nomination, to the Nominating and Corporate Governance Committee, c/o Tilly's, Inc., Attn: Secretary, 10 Whatney, Irvine, California 92618. Submissions satisfying the required qualifications will be forwarded to the chairperson of the Nominating and Corporate Governance Committee or such other member of the Nominating and Corporate Governance Committee delegated to review and consider candidates for director nominees.

Householding of Proxy Materials

The SEC has adopted rules that permit companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” is also permissible under the General Corporation Law of the State of Delaware and potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of banks and brokers with account holders who are our stockholders will be householding our proxy materials. A single Notice of Internet Availability of Proxy Materials or proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your bank or broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker or bank. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker or bank.

Forward-Looking Statements

This Proxy Statement contains “forward-looking statements” (as defined in the Private Securities Litigation Reform Act of 1995). These statements are based on our current expectations and involve risks and uncertainties, which may cause results to differ materially from those set forth in the statements. The forward-looking statements may include statements regarding actions to be taken by us. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future events or otherwise. Forward-looking statements should be evaluated together with the many uncertainties that affect our business, particularly those mentioned in the risk factors in Item 1A of our Annual Report on Form 10-K for the year ended February 1, 2014 and in our periodic reports on Form 10-Q and our current reports on Form 8-K.

INCORPORATION BY REFERENCE

Notwithstanding anything to the contrary set forth in any of our previous or future filings under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, that might incorporate all or portions of our filings, including this Proxy Statement, with the SEC, in whole or in part, the Audit Committee Report and the Report of the Compensation Committee contained in this Proxy Statement shall not be deemed to be incorporated by reference into any such filing or deemed filed with the SEC under the Securities Act or the Exchange Act. In addition, references to our website in this Proxy Statement are not intended to function as hyperlinks and information on our website, other than our Proxy Statement, notice and form of proxy, is not part of the proxy soliciting material and is not incorporated herein by reference.

Other Business

As of the date of this Proxy Statement, the board knows of no other business that will be presented for consideration at the 2014 Annual Meeting. If other proper matters are presented at the 2014 Annual Meeting, however, it is the intention of the proxy holders named in the Company’s form of proxy to vote the proxies held by them in accordance with their best judgment.

Additionally, in the event that a company acquired by the Company or any Affiliate or with which the Company or any Affiliate combines has shares available under a pre-existing plan approved by stockholders and not adopted in contemplation of such acquisition or combination, the shares available for grant pursuant to the terms of such pre-existing plan (as adjusted, to the extent appropriate, using the exchange ratio or other adjustment or valuation

[Table of Contents](#)

ratio or formula used in such acquisition or combination to determine the consideration payable to the holders of common stock of the entities party to such acquisition or combination) may be used for Awards under the Plan and shall not reduce the Shares authorized for grant under the Plan; provided that Awards using such available shares shall not be made after the date awards or grants could have been made under the terms of the pre-existing plan, absent the acquisition or combination, and shall only be made to individuals who were not employed by or providing services to the Company or its Affiliates immediately prior to such acquisition or combination.

ARTICLE 4.

Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any individual who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including Rule 16b-3 of the Exchange Act and any amendments thereto) that are requirements for the application of such exemptive rule. Notwithstanding the foregoing, the Administrator may not take any actions hereunder, and no Awards shall be granted, that would violate the Code, the Exchange Act, the Securities Act, any other securities law or governing statute, the rules of the securities exchange or automated quotation system on which the Shares are listed, quoted or traded or any other applicable law. For purposes of the Plan, all references to foreign laws, rules, regulations or taxes shall be references to the laws, rules, regulations and taxes of any applicable jurisdiction other than the United States or a political subdivision thereof.

Notwithstanding anything in the Plan to the contrary, the Committee may grant any Award to an Eligible Individual intended to qualify as Performance-Based Compensation, including, without limitation, Restricted Stock the restrictions with respect to which lapse upon the attainment of specified Performance Goals, Restricted Stock Units that vest and become payable upon the attainment of specified Performance Goals and any Performance Awards described in Article 10 that vest or become exercisable or payable upon the attainment of one or more specified Performance Goals.

5.4 Procedures with Respect to Performance-Based Awards. To the extent necessary to comply with the requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted to one or more Eligible Individuals which is intended to qualify as Performance-Based Compensation, no later than 90 days following the commencement of any Performance Period or any designated fiscal period or period of service (or such earlier time as may be required under Section 162(m) of the Code), the Committee shall, in writing, (a) designate one or more Eligible Individuals, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period based on the Performance Criteria, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether and the extent to which the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned under such Awards, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant, including the assessment of individual or corporate performance for the Performance Period.

5.5 Payment of Performance-Based Awards. Unless otherwise provided in the applicable Program or Award Agreement and only to the extent otherwise permitted by Section 162(m)(4)(C) of the Code, as to an Award that is intended to qualify as Performance-Based Compensation, the Holder must be employed by the Company or an Affiliate throughout the Performance Period. Unless otherwise provided in the applicable Performance Goals, Program or Award Agreement, a Holder shall be eligible to receive payment pursuant to such Awards for a Performance Period only if and to the extent the Performance Goals for such period are achieved.

5.6 Additional Limitations. Notwithstanding any other provision of the Plan and except as otherwise determined by the Administrator, any Award which is granted to an Eligible Individual and is intended to qualify as Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code or any regulations or rulings issued thereunder that are requirements for qualification as Performance-Based Compensation, and the Plan, the Program and the Award Agreement shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 6.

GRANTING OF OPTIONS

6.1 Granting of Options to Eligible Individuals. The Administrator is authorized to grant Options to Eligible Individuals from time to time, in its sole discretion, on such terms and conditions as it may determine which shall not be inconsistent with the Plan.

6.2 Qualification of Incentive Stock Options. No Incentive Stock Option shall be granted to any person who is not an Employee of the Company or any subsidiary corporation (as defined in Section 424(f) of the Code) of the Company. No person who qualifies as a Greater Than 10% Stockholder may be granted an Incentive Stock Option unless such Incentive Stock Option conforms to the applicable provisions of Section 422 of the Code. Any Incentive Stock Option granted under the Plan may be modified by the Administrator, with the consent of the Holder, to disqualify such Option from treatment as an “incentive stock option” under Section 422 of the Code. To the extent that the aggregate Fair Market Value of stock with respect to which “incentive stock options” (within the meaning of Section 422 of the Code, but without regard to Section 422(d) of the Code) are exercisable for the first time by a Holder during any calendar year under the Plan, and all other plans of the Company and any subsidiary or parent corporation thereof (each as defined in Section 424(f) and (e) of the Code, respectively), exceeds \$100,000, the Options shall be treated as Non-Qualified Stock Options to the extent required by Section 422 of the Code. The rule set forth in the preceding sentence shall be applied by taking Options and other “incentive stock options” into account in the order in which they were granted and the Fair Market Value of stock shall be determined as of the time the respective options were granted.

6.3 Option Exercise Price. The exercise price per Share subject to each Option shall be set by the Administrator, but shall not be less than 100% of the Fair Market Value of a Share on the date the Option is granted (or, as to Incentive Stock Options, on the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code). In addition, in the case of Incentive Stock Options granted to a Greater Than 10% Stockholder, such price shall not be less than 110% of the Fair Market Value of a Share on the date the Option is granted (or the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code).

6.4 Option Term. The term of each Option (the “Option Term”) shall be set by the Administrator in its sole discretion; provided, however, that the Option Term shall not be more than ten (10) years from the date the Option is granted, or five (5) years from the date an Incentive Stock Option is granted to a Greater Than 10% Stockholder. The Administrator shall determine the time period, including the time period following a Termination of Service, during which the Holder has the right to exercise the vested Options, which time period may not extend beyond the last day of the Option Term. Except as limited by the requirements of Section 409A or Section 422 of the Code and regulations and rulings thereunder, the Administrator may extend the Option Term of any outstanding Option, and may extend the time period during which vested Options may be exercised, in connection with any Termination of Service of the Holder, and may amend any other term or condition of such Option relating to such a Termination of Service.

6.5 Option Vesting.

(a) The period during which the right to exercise, in whole or in part, an Option vests in the Holder shall be set by the Administrator and the Administrator may determine that an Option may not be exercised in whole or in part for a specified period after it is granted. Such vesting may be based on service with the Company or any Affiliate, any of the Performance Criteria, or any other criteria selected by the Administrator.

(b) No portion of an Option which is unexercisable at a Holder’s Termination of Service shall thereafter become exercisable, except as may be otherwise provided by the Administrator either in the Program, the Award Agreement or by action of the Administrator following the grant of the Option.

6.6 Substitute Awards. Notwithstanding the foregoing provisions of this Article 6 to the contrary, in the case of an Option that is a Substitute Award, the price per share of the shares subject to such Option may be less than

[Table of Contents](#)

the Fair Market Value per share on the date of grant; provided that the excess of: (a) the aggregate Fair Market Value (as of the date such Substitute Award is granted) of the shares subject to the Substitute Award, over (b) the aggregate exercise price thereof does not exceed the excess of: (x) the aggregate fair market value (as of the time immediately preceding the transaction giving rise to the Substitute Award, such fair market value to be determined by the Administrator) of the shares of the predecessor entity that were subject to the grant assumed or substituted for by the Company, over (y) the aggregate exercise price of such shares.

6.7 Substitution of Stock Appreciation Rights. The Administrator may provide in the applicable Program or the Award Agreement evidencing the grant of an Option that the Administrator, in its sole discretion, shall have the right to substitute a Stock Appreciation Right for such Option at any time prior to or upon exercise of such Option; provided that such Stock Appreciation Right shall be exercisable with respect to the same number of Shares for which such substituted Option would have been exercisable, and shall also have the same exercise price, vesting schedule and remaining Option Term as the substituted Option.

ARTICLE 7.

EXERCISE OF OPTIONS

7.1 Partial Exercise. An exercisable Option may be exercised in whole or in part. However, an Option shall not be exercisable with respect to fractional shares and the Administrator may require that, by the terms of the Option, a partial exercise must be with respect to a minimum number of shares.

7.2 Manner of Exercise. All or a portion of an exercisable Option shall be deemed exercised upon delivery of all of the following to the Secretary of the Company, or such other person or entity designated by the Administrator, or his, her or its office, as applicable:

(a) A written or electronic notice complying with the applicable rules established by the Administrator stating that the Option, or a portion thereof, is exercised. The notice shall be signed by the Holder or other person then entitled to exercise the Option or such portion of the Option;

(b) Such representations and documents as the Administrator, in its sole discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal, state or foreign securities laws or regulations, the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded or any other applicable law. The Administrator may, in its sole discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on share certificates and issuing stop-transfer notices to agents and registrars;

(c) In the event that the Option shall be exercised pursuant to Section 12.3 by any person or persons other than the Holder, appropriate proof of the right of such person or persons to exercise the Option, as determined in the sole discretion of the Administrator; and

(d) Full payment of the exercise price and applicable withholding taxes to the stock administrator of the Company for the shares with respect to which the Option, or portion thereof, is exercised, in a manner permitted by Section 12.1 and 12.2.

7.3 Notification Regarding Disposition. The Holder shall give the Company prompt written or electronic notice of any disposition of shares of Common Stock acquired by exercise of an Incentive Stock Option which occurs within (a) two years from the date of granting (including the date the Option is modified, extended or renewed for purposes of Section 424(h) of the Code) such Option to such Holder, or (b) one year after the transfer of such shares to such Holder.

ARTICLE 8.

AWARD OF RESTRICTED STOCK

8.1 Award of Restricted Stock.

(a) The Administrator is authorized to grant Restricted Stock to Eligible Individuals, and shall determine the terms and conditions, including the restrictions applicable to each award of Restricted Stock, which terms and conditions shall not be inconsistent with the Plan, and may impose such conditions on the issuance of such Restricted Stock as it deems appropriate.

(b) The Administrator shall establish the purchase price, if any, and form of payment for Restricted Stock; provided, however, that if a purchase price is charged, such purchase price shall be no less than the par value, if any, of the Shares to be purchased, unless otherwise permitted by applicable law. In all cases, legal consideration shall be required for each issuance of Restricted Stock.

8.2 Rights as Stockholders. Subject to Section 8.4, upon issuance of Restricted Stock, the Holder shall have, unless otherwise provided by the Administrator, all the rights of a stockholder with respect to said shares, subject to the restrictions in the applicable Program or in each individual Award Agreement, including the right to receive all dividends and other distributions paid or made with respect to the shares; provided, however, that, in the sole discretion of the Administrator, any extraordinary distributions with respect to the Shares shall be subject to the restrictions set forth in Section 8.3. In addition, with respect to a share of Restricted Stock with performance-based vesting, dividends which are paid prior to vesting shall only be paid out to the Holder to the extent that the performance-based vesting conditions are subsequently satisfied and the share of Restricted Stock vests.

8.3 Restrictions. All shares of Restricted Stock (including any shares received by Holders thereof with respect to shares of Restricted Stock as a result of stock dividends, stock splits or any other form of recapitalization) shall, in the terms of the applicable Program or in each individual Award Agreement, be subject to such restrictions and vesting requirements as the Administrator shall provide. Such restrictions may include, without limitation, restrictions concerning voting rights and transferability and such restrictions may lapse separately or in combination at such times and pursuant to such circumstances or based on such criteria as selected by the Administrator, including, without limitation, criteria based on the Holder's duration of employment, directorship or consultancy with the Company, the Performance Criteria, Company performance, individual performance or other criteria selected by the Administrator. By action taken after the Restricted Stock is issued, the Administrator may, on such terms and conditions as it may determine to be appropriate, accelerate the vesting of such Restricted Stock by removing any or all of the restrictions imposed by the terms of the Program or the Award Agreement. Restricted Stock may not be sold or encumbered until all restrictions are terminated or expire.

8.4 Repurchase or Forfeiture of Restricted Stock. Except as otherwise determined by the Administrator at the time of the grant of the Award or thereafter, if no price was paid by the Holder for the Restricted Stock, upon a Termination of Service during the applicable restriction period, the Holder's rights in unvested Restricted Stock then subject to restrictions shall lapse, and such Restricted Stock shall be surrendered to the Company and cancelled without consideration. If a price was paid by the Holder for the Restricted Stock, upon a Termination of Service during the applicable restriction period, the Company shall have the right to repurchase from the Holder the unvested Restricted Stock then subject to restrictions at a cash price per share equal to the price paid by the Holder for such Restricted Stock or such other amount as may be specified in the Program or the Award Agreement. Notwithstanding the foregoing, except as otherwise provided by Section 3.4, the Administrator in its sole discretion may provide that in the event of certain events, including a Change in Control, the Holder's death, retirement or disability or any other specified Termination of Service or any other event, the Holder's rights in unvested Restricted Stock shall not lapse, such Restricted Stock shall vest and, if applicable, the Company shall not have a right of repurchase.

8.5 Certificates for Restricted Stock. Restricted Stock granted pursuant to the Plan may be evidenced in such manner as the Administrator shall determine. Certificates or book entries evidencing shares of Restricted Stock must include an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock. The Company may, in its sole discretion, (a) retain physical possession of any stock certificate evidencing shares of Restricted Stock until the restrictions thereon shall have lapsed and/or (b) require that the stock certificates evidencing shares of Restricted Stock be held in custody by a designated escrow agent (which may but need not be the Company) until the restrictions thereon shall have lapsed, and that the Holder deliver a stock power, endorsed in blank, relating to such Restricted Stock.

8.6 Section 83(b) Election. If a Holder makes an election under Section 83(b) of the Code to be taxed with respect to the Restricted Stock as of the date of transfer of the Restricted Stock rather than as of the date or dates upon which the Holder would otherwise be taxable under Section 83(a) of the Code, the Holder shall be required to deliver a copy of such election to the Company promptly after filing such election with the Internal Revenue Service.

ARTICLE 9.

AWARD OF RESTRICTED STOCK UNITS

9.1 Grant of Restricted Stock Units. The Administrator is authorized to grant Awards of Restricted Stock Units to any Eligible Individual selected by the Administrator in such amounts and subject to such terms and conditions as determined by the Administrator.

9.2 Term. Except as otherwise provided herein, the term of a Restricted Stock Unit award shall be set by the Administrator in its sole discretion.

9.3 Purchase Price. The Administrator shall specify the purchase price, if any, to be paid by the Holder to the Company with respect to any Restricted Stock Unit award; provided, however, that value of the consideration shall not be less than the par value of a Share, unless otherwise permitted by applicable law.

9.4 Vesting of Restricted Stock Units. At the time of grant, the Administrator shall specify the date or dates on which the Restricted Stock Units shall become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate, including, without limitation, vesting based upon the Holder's duration of service to the Company or any Affiliate, one or more Performance Criteria, Company performance, individual performance or other specific criteria, in each case on a specified date or dates or over any period or periods, as determined by the Administrator, subject to Section 3.4.

9.5 Maturity and Payment. At the time of grant, the Administrator shall specify the maturity date applicable to each grant of Restricted Stock Units which shall be no earlier than the vesting date or dates of the Award and may be determined at the election of the Holder (if permitted by the applicable Award Agreement); provided that, except as otherwise determined by the Administrator, set forth in any applicable Award Agreement, and subject to compliance with Section 409A of the Code, in no event shall the maturity date relating to each Restricted Stock Unit occur following the later of (a) the 15th day of the third month following the end of calendar year in which the Restricted Stock Unit vests; or (b) the 15th day of the third month following the end of the Company's fiscal year in which the Restricted Stock Unit vests. On the maturity date, the Company shall, subject to Section 12.4(e), transfer to the Holder one unrestricted, fully transferable share of Common Stock for each Restricted Stock Unit scheduled to be paid out on such date and not previously forfeited, or in the sole discretion of the Administrator, an amount in cash equal to the Fair Market Value of such shares on the maturity date or a combination of cash and Common Stock as determined by the Administrator.

9.6 Payment upon Termination of Service. An Award of Restricted Stock Units shall only be payable while the Holder is an Employee, a Consultant or a member of the Board, as applicable; provided, however, that the Administrator, in its sole and absolute discretion may provide (in an Award Agreement or otherwise) that a

[Table of Contents](#)

Restricted Stock Unit award may be paid subsequent to a Termination of Service in certain events, including a Change in Control, the Holder's death, retirement or disability or any other specified Termination of Service.

9.7 No Rights as a Stockholder. Unless otherwise determined by the Administrator, a Holder who is awarded Restricted Stock Units shall possess no incidents of ownership with respect to the Shares represented by such Restricted Stock Units, unless and until the same are transferred to the Holder pursuant to the terms of this Plan and the Award Agreement.

9.8 Dividend Equivalents. Subject to Section 10.2, the Administrator may, in its sole discretion, provide that Dividend Equivalents shall be earned by a Holder of Restricted Stock Units based on dividends declared on the Common Stock, to be credited as of dividend payment dates during the period between the date an Award of Restricted Stock Units is granted to a Holder and the maturity date of such Award.

ARTICLE 10.

AWARD OF PERFORMANCE AWARDS, DIVIDEND EQUIVALENTS, STOCK PAYMENTS, DEFERRED STOCK, DEFERRED STOCK UNITS

10.1 Performance Awards.

(a) The Administrator is authorized to grant Performance Awards, including Awards of Performance Stock Units, to any Eligible Individual and to determine whether such Performance Awards shall be Performance-Based Compensation. The value of Performance Awards, including Performance Stock Units, may be linked to any one or more of the Performance Criteria or other specific criteria determined by the Administrator, in each case on a specified date or dates or over any period or periods determined by the Administrator. Performance Awards, including Performance Stock Unit awards may be paid in cash, Shares, or a combination of cash and Shares, as determined by the Administrator.

(b) Without limiting Section 10.1(a), the Administrator may grant Performance Awards to any Eligible Individual in the form of a cash bonus payable upon the attainment of objective Performance Goals, or such other criteria, whether or not objective, which are established by the Administrator, in each case on a specified date or dates or over any period or periods determined by the Administrator. Any such bonuses paid to a Holder which are intended to be Performance-Based Compensation shall be based upon objectively determinable bonus formulas established in accordance with the provisions of Article 5.

10.2 Dividend Equivalents.

(a) Dividend Equivalents may be granted by the Administrator based on dividends declared on the Common Stock, to be credited as of dividend payment dates during the period between the date an Award is granted to a Holder and the date such Award vests, is exercised, is distributed or expires, as determined by the Administrator. Such Dividend Equivalents shall be converted to cash or additional shares of Common Stock by such formula and at such time and subject to such limitations as may be determined by the Administrator. In addition, Dividend Equivalents with respect to an Award with performance-based vesting that are based on dividends paid prior to the vesting of such Award shall only be paid out to the Holder to the extent that the performance-based vesting conditions are subsequently satisfied and the Award vests.

(b) Notwithstanding the foregoing, no Dividend Equivalents shall be payable with respect to Options or Stock Appreciation Rights.

10.3 Stock Payments. The Administrator is authorized to make Stock Payments to any Eligible Individual. The number or value of shares of any Stock Payment shall be determined by the Administrator and may be based upon one or more Performance Criteria or any other specific criteria, including service to the Company or any Affiliate, determined by the Administrator. Shares underlying a Stock Payment which is subject to a vesting

[Table of Contents](#)

schedule or other conditions or criteria set by the Administrator will not be issued until those conditions have been satisfied. Unless otherwise provided by the Administrator, a Holder of a Stock Payment shall have no rights as a Company stockholder with respect to such Stock Payment until such time as the Stock Payment has vested and the Shares underlying the Award have been issued to the Holder. Stock Payments may, but are not required to, be made in lieu of base salary, bonus, fees or other cash compensation otherwise payable to such Eligible Individual.

10.4 Deferred Stock. The Administrator is authorized to grant Deferred Stock to any Eligible Individual. The number of shares of Deferred Stock shall be determined by the Administrator and may (but is not required to) be based on one or more Performance Criteria or other specific criteria, including service to the Company or any Affiliate, as the Administrator determines, in each case on a specified date or dates or over any period or periods determined by the Administrator. Shares underlying a Deferred Stock award which is subject to a vesting schedule or other conditions or criteria set by the Administrator will be issued on the vesting date(s) or date(s) that those conditions and criteria have been satisfied, as applicable. Unless otherwise provided by the Administrator, a Holder of Deferred Stock shall have no rights as a Company stockholder with respect to such Deferred Stock until such time as the Award has vested and any other applicable conditions and/or criteria have been satisfied and the Shares underlying the Award have been issued to the Holder.

10.5 Deferred Stock Units. The Administrator is authorized to grant Deferred Stock Units to any Eligible Individual. The number of Deferred Stock Units shall be determined by the Administrator and may (but is not required to) be based on one or more Performance Criteria or other specific criteria, including service to the Company or any Affiliate, as the Administrator determines, in each case on a specified date or dates or over any period or periods determined by the Administrator. Each Deferred Stock Unit shall entitle the Holder thereof to receive one share of Common Stock on the date the Deferred Stock Unit becomes vested or upon a specified settlement date thereafter (which settlement date may (but is not required to) be the date of the Holder's Termination of Service). Shares underlying a Deferred Stock Unit award which is subject to a vesting schedule or other conditions or criteria set by the Administrator will not be issued until on or following the date that those conditions and criteria have been satisfied. Unless otherwise provided by the Administrator, a Holder of Deferred Stock Units shall have no rights as a Company stockholder with respect to such Deferred Stock Units until such time as the Award has vested and any other applicable conditions and/or criteria have been satisfied and the Shares underlying the Award have been issued to the Holder.

10.6 Term. The term of a Performance Award, Dividend Equivalent award, Stock Payment award, Deferred Stock award and/or Deferred Stock Unit award shall be set by the Administrator in its sole discretion.

10.7 Purchase Price. The Administrator may establish the purchase price of a Performance Award, shares distributed as a Stock Payment award, shares of Deferred Stock or shares distributed pursuant to a Deferred Stock Unit award; provided, however, that value of the consideration shall not be less than the par value of a Share, unless otherwise permitted by applicable law.

10.8 Termination of Service. A Performance Award, Stock Payment award, Dividend Equivalent award, Deferred Stock award and/or Deferred Stock Unit award is distributable only while the Holder is an Employee, Director or Consultant, as applicable. The Administrator, however, in its sole discretion may provide that the Performance Award, Dividend Equivalent award, Stock Payment award, Deferred Stock award and/or Deferred Stock Unit award may be distributed subsequent to a Termination of Service in certain events, including a Change in Control, the Holder's death, retirement or disability or any other specified Termination of Service.

ARTICLE 11.

AWARD OF STOCK APPRECIATION RIGHTS

11.1 Grant of Stock Appreciation Rights.

(a) The Administrator is authorized to grant Stock Appreciation Rights to Eligible Individuals from time to time, in its sole discretion, on such terms and conditions as it may determine consistent with the Plan.

(b) A Stock Appreciation Right shall entitle the Holder (or other person entitled to exercise the Stock Appreciation Right pursuant to the Plan) to exercise all or a specified portion of the Stock Appreciation Right (to the extent then exercisable pursuant to its terms) and to receive from the Company an amount determined by multiplying the difference obtained by subtracting the exercise price per share of the Stock Appreciation Right from the Fair Market Value on the date of exercise of the Stock Appreciation Right by the number of Shares with respect to which the Stock Appreciation Right shall have been exercised, subject to any limitations the Administrator may impose. Except as described in (c) below, the exercise price per Share subject to each Stock Appreciation Right shall be set by the Administrator, but shall not be less than 100% of the Fair Market Value on the date the Stock Appreciation Right is granted.

(c) Notwithstanding the foregoing provisions of Section 11.1(b) to the contrary, in the case of an Stock Appreciation Right that is a Substitute Award, the price per share of the shares subject to such Stock Appreciation Right may be less than 100% of the Fair Market Value per share on the date of grant; provided that the excess of: (i) the aggregate Fair Market Value (as of the date such Substitute Award is granted) of the shares subject to the Substitute Award, over (ii) the aggregate exercise price thereof does not exceed the excess of: (x) the aggregate fair market value (as of the time immediately preceding the transaction giving rise to the Substitute Award, such fair market value to be determined by the Administrator) of the shares of the predecessor entity that were subject to the grant assumed or substituted for by the Company, over (y) the aggregate exercise price of such shares.

11.2 Stock Appreciation Right Vesting.

(a) The period during which the right to exercise, in whole or in part, a Stock Appreciation Right vests in the Holder shall be set by the Administrator and the Administrator may determine that a Stock Appreciation Right may not be exercised in whole or in part for a specified period after it is granted. Such vesting may be based on service with the Company or any Affiliate, or any other criteria selected by the Administrator. At any time after grant of a Stock Appreciation Right, the Administrator may, in its sole discretion and subject to whatever terms and conditions it selects, accelerate the period during which a Stock Appreciation Right vests.

(b) No portion of a Stock Appreciation Right which is unexercisable at Termination of Service shall thereafter become exercisable, except as may be otherwise provided by the Administrator either in the applicable Program or Award Agreement or by action of the Administrator following the grant of the Stock Appreciation Right.

11.3 Manner of Exercise. All or a portion of an exercisable Stock Appreciation Right shall be deemed exercised upon delivery of all of the following to the stock administrator of the Company, or such other person or entity designated by the Administrator, or his, her or its office, as applicable:

(a) A written or electronic notice complying with the applicable rules established by the Administrator stating that the Stock Appreciation Right, or a portion thereof, is exercised. The notice shall be signed by the Holder or other person then entitled to exercise the Stock Appreciation Right or such portion of the Stock Appreciation Right;

(b) Such representations and documents as the Administrator, in its sole discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal, state or foreign securities laws or regulations. The Administrator may, in its sole discretion, also take whatever additional actions it deems appropriate to effect such compliance; and

[Table of Contents](#)

(c) In the event that the Stock Appreciation Right shall be exercised pursuant to this Section 11.3 by any person or persons other than the Holder, appropriate proof of the right of such person or persons to exercise the Stock Appreciation Right.

11.4 Stock Appreciation Right Term. The term of each Stock Appreciation Right (the “Stock Appreciation Right Term”) shall be set by the Administrator in its sole discretion; provided, however, that the term shall not be more than ten (10) years from the date the Stock Appreciation Right is granted. The Administrator shall determine the time period, including the time period following a Termination of Service, during which the Holder has the right to exercise the vested Stock Appreciation Rights, which time period may not extend beyond the expiration date of the Stock Appreciation Right Term. Except as limited by the requirements of Section 409A of the Code and regulations and rulings thereunder, the Administrator may extend the Stock Appreciation Right Term of any outstanding Stock Appreciation Right, and may extend the time period during which vested Stock Appreciation Rights may be exercised, in connection with any Termination of Service of the Holder, and may amend any other term or condition of such Stock Appreciation Right relating to such a Termination of Service.

11.5 Payment. Payment of the amounts payable with respect to Stock Appreciation Rights pursuant to this Article 11 shall be in cash, Shares (based on its Fair Market Value as of the date the Stock Appreciation Right is exercised), or a combination of both, as determined by the Administrator.

ARTICLE 12.

ADDITIONAL TERMS OF AWARDS

12.1 Payment. The Administrator shall determine the methods by which payments by any Holder with respect to any Awards granted under the Plan shall be made, including, without limitation: (a) cash or check, (b) Shares (including, in the case of payment of the exercise price of an Award, Shares issuable pursuant to the exercise of the Award) or Shares held for such period of time as may be required by the Administrator in order to avoid adverse accounting consequences, in each case, having a Fair Market Value on the date of delivery equal to the aggregate payments required, (c) delivery of a written or electronic notice that the Holder has placed a market sell order with a broker with respect to Shares then issuable upon exercise or vesting of an Award, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to the Company in satisfaction of the aggregate payments required; provided that payment of such proceeds is then made to the Company upon settlement of such sale, or (d) other form of legal consideration acceptable to the Administrator. The Administrator shall also determine the methods by which Shares shall be delivered or deemed to be delivered to Holders. Notwithstanding any other provision of the Plan to the contrary, no Holder who is a Director or an “executive officer” of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to make payment with respect to any Awards granted under the Plan, or continue any extension of credit with respect to such payment, with a loan from the Company or a loan arranged by the Company in violation of Section 13(k) of the Exchange Act.

12.2 Tax Withholding. The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Holder to remit to the Company, an amount sufficient to satisfy federal, state, local and foreign taxes (including the Holder’s FICA or employment tax obligation) required by law to be withheld with respect to any taxable event concerning a Holder arising as a result of the Plan. The Administrator may in its sole discretion and in satisfaction of the foregoing requirement allow a Holder to elect to have the Company withhold Shares otherwise issuable under an Award (or allow the surrender of Shares). The number of Shares which may be so withheld or surrendered shall be limited to the number of shares which have a Fair Market Value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income. The Administrator shall determine the fair market value of the Shares, consistent with applicable provisions of the Code, for tax withholding obligations due in connection with a broker-assisted cashless Option or Stock Appreciation Right exercise involving the sale of shares to pay the Option or Stock Appreciation Right exercise price or any tax withholding obligation.

12.3 Transferability of Awards.

(a) Except as otherwise provided in Section 12.3(b):

(i) No Award under the Plan may be sold, pledged, assigned or transferred in any manner other than by will or the laws of descent and distribution or, subject to the consent of the Administrator, pursuant to a DRO, unless and until such Award has been exercised, or the shares underlying such Award have been issued, and all restrictions applicable to such shares have lapsed;

(ii) No Award or interest or right therein shall be liable for the debts, contracts or engagements of the Holder or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, hypothecation, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect, except to the extent that such disposition is permitted by the preceding sentence; and

(iii) During the lifetime of the Holder, only the Holder may exercise an Award (or any portion thereof) granted to him under the Plan, unless it has been disposed of pursuant to a DRO; after the death of the Holder, any exercisable portion of an Award may, prior to the time when such portion becomes unexercisable under the Plan or the applicable Program or Award Agreement, be exercised by his personal representative or by any person empowered to do so under the deceased Holder's will or under the then applicable laws of descent and distribution.

(b) Notwithstanding Section 12.3(a), the Administrator, in its sole discretion, may determine to permit a Holder to transfer an Award other than an Incentive Stock Option to any one or more Permitted Transferees, subject to the following terms and conditions: (i) an Award transferred to a Permitted Transferee shall not be assignable or transferable by the Permitted Transferee other than by will or the laws of descent and distribution; (ii) an Award transferred to a Permitted Transferee shall continue to be subject to all the terms and conditions of the Award as applicable to the original Holder (other than the ability to further transfer the Award); (iii) any transfer of a Non-Qualified Stock Option to a Permitted Transferee shall be without consideration; and (iv) the Holder and the Permitted Transferee shall execute any and all documents requested by the Administrator, including, without limitation documents to (A) confirm the status of the transferee as a Permitted Transferee, (B) satisfy any requirements for an exemption for the transfer under applicable federal, state and foreign securities laws and (C) evidence the transfer.

(c) Notwithstanding Section 12.3(a), a Holder may, in the manner determined by the Administrator, designate a beneficiary to exercise the rights of the Holder and to receive any distribution with respect to any Award upon the Holder's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Program or Award Agreement applicable to the Holder, except to the extent the Plan, the Program and the Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Administrator. If the Holder is married and resides in a community property state, a designation of a person other than the Holder's spouse as his or her beneficiary with respect to more than 50% of the Holder's interest in the Award shall not be effective without the prior written or electronic consent of the Holder's spouse. If no beneficiary has been designated or survives the Holder, payment shall be made to the person entitled thereto pursuant to the Holder's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Holder at any time; provided that the change or revocation is filed with the Administrator prior to the Holder's death.

12.4 Conditions to Issuance of Shares.

(a) Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any certificates or make any book entries evidencing Shares pursuant to the exercise of any Award, unless and until the Board or the Committee has determined, with advice of counsel, that the issuance of such shares is

[Table of Contents](#)

in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the Shares are listed or traded, and the Shares are covered by an effective registration statement or applicable exemption from registration. In addition to the terms and conditions provided herein, the Board or the Committee may require that a Holder make such reasonable covenants, agreements, and representations as the Board or the Committee, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements.

(b) All Share certificates delivered pursuant to the Plan and all shares issued pursuant to book entry procedures are subject to any stop-transfer orders and other restrictions as the Administrator deems necessary or advisable to comply with federal, state, or foreign securities or other laws, rules and regulations and the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted, or traded. The Administrator may place legends on any Share certificate or book entry to reference restrictions applicable to the Shares.

(c) The Administrator shall have the right to require any Holder to comply with any timing or other restrictions with respect to the settlement, distribution or exercise of any Award, including a window-period limitation, as may be imposed in the sole discretion of the Administrator.

(d) No fractional Shares shall be issued and the Administrator shall determine, in its sole discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding down.

(e) Notwithstanding any other provision of the Plan, unless otherwise determined by the Administrator or required by any applicable law, rule or regulation, the Company shall not deliver to any Holder certificates evidencing Shares issued in connection with any Award and instead such Shares shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

12.5 Forfeiture and Claw-Back Provisions. Pursuant to its general authority to determine the terms and conditions applicable to Awards under the Plan, the Administrator shall have the right to provide, in an Award Agreement or otherwise, or to require a Holder to agree by separate written or electronic instrument, that:

(a) (i) Any proceeds, gains or other economic benefit actually or constructively received by the Holder upon any receipt or exercise of the Award, or upon the receipt or resale of any Shares underlying the Award, must be paid to the Company, and (ii) the Award shall terminate and any unexercised portion of the Award (whether or not vested) shall be forfeited, if (x) a Termination of Service occurs prior to a specified date, or within a specified time period following receipt or exercise of the Award, or (y) the Holder at any time, or during a specified time period, engages in any activity in competition with the Company, or which is inimical, contrary or harmful to the interests of the Company, as further defined by the Administrator or (z) the Holder incurs a Termination of Service for “cause” (as such term is defined in the sole discretion of the Administrator, or as set forth in a written agreement relating to such Award between the Company and the Holder); and

(b) All Awards (including any proceeds, gains or other economic benefit actually or constructively received by the Holder upon any receipt or exercise of any Award or upon the receipt or resale of any Shares underlying the Award) shall be subject to the provisions of any claw-back policy implemented by the Company, including, without limitation, any claw-back policy adopted to comply with the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act and any rules or regulations promulgated thereunder, to the extent set forth in such claw-back policy and/or in the applicable Award Agreement.

12.6 Prohibition on Repricing. Subject to Section 14.2, the Administrator shall not, without the approval of the stockholders of the Company, (i) authorize the amendment of any outstanding Option or Stock Appreciation Right to reduce its price per share, or (ii) cancel any Option or Stock Appreciation Right in exchange for cash or another Award when the Option or Stock Appreciation Right price per share exceeds the Fair Market Value of the underlying Shares. Furthermore, for purposes of this Section 12.6, except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary

[Table of Contents](#)

cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of shares), the terms of outstanding Awards may not be amended to reduce the exercise price per share of outstanding Options or Stock Appreciation Rights or cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other Awards or Options or Stock Appreciation Rights with an exercise price per share that is less than the exercise price per share of the original Options or Stock Appreciation Rights without the approval of the stockholders of the Company.

ARTICLE 13.

ADMINISTRATION

13.1 Administrator. The Committee (or another committee or a subcommittee of the Board assuming the functions of the Committee under the Plan) shall administer the Plan (except as otherwise permitted herein) and, unless otherwise determined by the Board, shall consist solely of two or more Non-Employee Directors appointed by and holding office at the pleasure of the Board, each of whom is intended to qualify as both a “non-employee director” as defined by Rule 16b-3 of the Exchange Act or any successor rule, an “outside director” for purposes of Section 162(m) of the Code and an “independent director” under the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded; provided that any action taken by the Committee shall be valid and effective, whether or not members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership set forth in this Section 13.1 or otherwise provided in any charter of the Committee. Except as may otherwise be provided in any charter of the Committee, appointment of Committee members shall be effective upon acceptance of appointment. Committee members may resign at any time by delivering written or electronic notice to the Board. Vacancies in the Committee may only be filled by the Board. Notwithstanding the foregoing, (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to Awards granted to Non-Employee Directors and, with respect to such Awards, the terms “Administrator” and “Committee” as used in the Plan shall be deemed to refer to the Board and (b) the Board or Committee may delegate its authority hereunder to the extent permitted by Section 13.6.

13.2 Duties and Powers of Committee. It shall be the duty of the Committee to conduct the general administration of the Plan in accordance with its provisions. The Committee shall have the power to interpret the Plan, the Program and the Award Agreement, and to adopt such rules for the administration, interpretation and application of the Plan as are not inconsistent therewith, to interpret, amend or revoke any such rules and to amend any Program or Award Agreement; provided that the rights or obligations of the Holder of the Award that is the subject of any such Program or Award Agreement are not affected adversely by such amendment, unless the consent of the Holder is obtained or such amendment is otherwise permitted under Section 14.10. Any such grant or award under the Plan need not be the same with respect to each Holder. Any such interpretations and rules with respect to Incentive Stock Options shall be consistent with the provisions of Section 422 of the Code. In its sole discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under the Plan except with respect to matters which under Rule 16b-3 under the Exchange Act or any successor rule, or Section 162(m) of the Code, or any regulations or rules issued thereunder, or the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded are required to be determined in the sole discretion of the Committee.

13.3 Action by the Committee. Unless otherwise established by the Board or in any charter of the Committee, a majority of the Committee shall constitute a quorum and the acts of a majority of the members present at any meeting at which a quorum is present, and acts approved in writing by all members of the Committee in lieu of a meeting, shall be deemed the acts of the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Affiliate, the Company’s independent certified public accountants, or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

[Table of Contents](#)

13.4 Authority of Administrator. Subject to the Company's Bylaws, the Committee's Charter and any specific designation in the Plan, the Administrator has the exclusive power, authority and sole discretion to:

- (a) Designate Eligible Individuals to receive Awards;
- (b) Determine the type or types of Awards to be granted to each Eligible Individual;
- (c) Determine the number of Awards to be granted and the number of Shares to which an Award will relate;
- (d) Determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any performance criteria, any restrictions or limitations on the Award, any schedule for vesting, lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, and any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Administrator in its sole discretion determines;
- (e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in cash, Shares, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;
- (f) Prescribe the form of each Award Agreement, which need not be identical for each Holder;
- (g) Decide all other matters that must be determined in connection with an Award;
- (h) Establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;
- (i) Interpret the terms of, and any matter arising pursuant to, the Plan, any Program or any Award Agreement;
- (j) Make all other decisions and determinations that may be required pursuant to the Plan or as the Administrator deems necessary or advisable to administer the Plan; and
- (k) Accelerate wholly or partially the vesting or lapse of restrictions of any Award or portion thereof at any time after the grant of an Award, subject to whatever terms and conditions it selects and Sections 3.4 and 14.2(d).

13.5 Decisions Binding. The Administrator's interpretation of the Plan, any Awards granted pursuant to the Plan, any Program, any Award Agreement and all decisions and determinations by the Administrator with respect to the Plan are final, binding, and conclusive on all parties.

13.6 Delegation of Authority. To the extent permitted by applicable law or the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded, the Board or Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards or to take other administrative actions pursuant to Article 13; provided, however, that in no event shall an officer of the Company be delegated the authority to grant awards to, or amend awards held by, the following individuals: (a) individuals who are subject to Section 16 of the Exchange Act, (b) Covered Employees, or (c) officers of the Company (or Directors) to whom authority to grant or amend Awards has been delegated hereunder; provided, further, that any delegation of administrative authority shall only be permitted to the extent it is permissible under Section 162(m) of the Code and applicable securities laws or the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded. Any delegation hereunder shall be subject to the restrictions and limits that the Board or Committee specifies at the time of such delegation, and the Board may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 13.6 shall serve in such capacity at the pleasure of the Board and the Committee.

ARTICLE 14.

MISCELLANEOUS PROVISIONS

14.1 Amendment, Suspension or Termination of the Plan. Except as otherwise provided in this Section 14.1, the Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Board or the Committee. However, without approval of the Company's stockholders given within twelve (12) months before or after the action by the Administrator, no action of the Administrator may, except as provided in Section 14.2, (a) increase the limits imposed in Section 3.1 on the maximum number of shares which may be issued under the Plan, or (b) reduce the price per share of any outstanding Option or Stock Appreciation Right granted under the Plan, or take any action prohibited under Section 12.6, or (c) cancel any Option or Stock Appreciation Right in exchange for cash or another Award when the Option or Stock Appreciation Right price per share exceeds the Fair Market Value of the underlying Shares. Except as provided in Section 14.10, no amendment, suspension or termination of the Plan shall, without the consent of the Holder, impair any rights or obligations under any Award theretofore granted or awarded, unless the Award itself otherwise expressly so provides. No Awards may be granted or awarded during any period of suspension or after termination of the Plan, and in no event may any Award be granted under the Plan after the tenth (10th) anniversary of the Effective Date.

14.2 Changes in Common Stock or Assets of the Company, Acquisition or Liquidation of the Company and Other Corporate Events .

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of the Company's stock or the share price of the Company's stock other than an Equity Restructuring, the Administrator may make equitable adjustments, if any, to reflect such change with respect to (i) the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Section 3.1 on the maximum number and kind of shares which may be issued under the Plan, adjustments of the Award Limit, and adjustments of the manner in which shares subject to Full Value Awards will be counted); (ii) the number and kind of shares of Common Stock (or other securities or property) subject to outstanding Awards; (iii) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (iv) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 14.2(a) or any unusual or nonrecurring transactions or events affecting the Company, any Affiliate of the Company, or the financial statements of the Company or any Affiliate, or of changes in applicable laws, regulations or accounting principles, the Administrator, in its sole discretion, and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Holder's request, is hereby authorized to take any one or more of the following actions whenever the Administrator determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Holder's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 14.2 the Administrator determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Holder's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Administrator in its sole discretion having an aggregate value not exceeding the amount that could have been attained upon the exercise of such Award or realization of the Holder's rights had such Award been currently exercisable or payable or fully vested;

[Table of Contents](#)

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

(iii) To make adjustments in the number and type of shares of the Company's stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding Awards and Awards which may be granted in the future;

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Program or Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

(c) In connection with the occurrence of any Equity Restructuring, and notwithstanding anything to the contrary in Sections 14.2(a) and 14.2(b):

(i) The number and type of securities subject to each outstanding Award and the exercise price or grant price thereof, if applicable, shall be equitably adjusted; and/or

(ii) The Administrator shall make such equitable adjustments, if any, as the Administrator in its discretion may deem appropriate to reflect such Equity Restructuring with respect to the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Section 3.1 on the maximum number and kind of shares which may be issued under the Plan, adjustments of the Award Limit, and adjustments of the manner in which shares subject to Full Value Awards will be counted). The adjustments provided under this Section 14.2(c) shall be nondiscretionary and shall be final and binding on the affected Holder and the Company.

(d) Notwithstanding any other provision of the Plan, in the event of a Change in Control, each outstanding Award shall continue in effect or be assumed or an equivalent Award substituted by the successor corporation or a parent or subsidiary of the successor corporation. In the event an Award continues in effect or is assumed or an equivalent Award substituted, and a Holder has a Termination of Service by the Company or its successor without Cause upon or within twelve (12) months following the Change in Control, then such Holder shall be fully vested in such continued, assumed or substituted Award.

(e) In the event that the successor corporation in a Change in Control refuses to assume or substitute for the Award, the Administrator may cause any or all of such Awards to become fully exercisable immediately prior to the consummation of such transaction and all forfeiture restrictions on any or all of such Awards to lapse. If an Award is exercisable in lieu of assumption or substitution in the event of a Change in Control, the Administrator shall notify the Holder that the Award shall be fully exercisable for a period of fifteen (15) days from the date of such notice, contingent upon the occurrence of the Change in Control, and the Award shall terminate upon the expiration of such period.

(f) For the purposes of this Section 14.2, an Award shall be considered assumed if, following the Change in Control, the Award confers the right to purchase or receive, for each share of Common Stock subject to the Award immediately prior to the Change in Control, the consideration (whether stock, cash, or other securities or property) received in the Change in Control by holders of Common Stock for each share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the Change in Control was not solely common stock of the successor corporation or its parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Award, for each share of Common Stock subject to an Award, to be solely common stock of the successor corporation or its parent equal in fair market value to the per share consideration received by holders of Common Stock in the Change in Control.

[Table of Contents](#)

(g) The Administrator may, in its sole discretion, include such further provisions and limitations in any Award, agreement or certificate, as it may deem equitable and in the best interests of the Company that are not inconsistent with the provisions of the Plan.

(h) With respect to Awards which are granted to Covered Employees and are intended to qualify as Performance-Based Compensation, no adjustment or action described in this Section 14.2 or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause such Award to fail to so qualify as Performance-Based Compensation, unless the Administrator determines that the Award should not so qualify. No adjustment or action described in this Section 14.2 or in any other provision of the Plan shall be authorized to the extent that such adjustment or action would cause the Plan to violate Section 422(b)(1) of the Code. Furthermore, no such adjustment or action shall be authorized to the extent such adjustment or action would result in short-swing profits liability under Section 16 or violate the exemptive conditions of Rule 16b-3 unless the Administrator determines that the Award is not to comply with such exemptive conditions.

(i) The existence of the Plan, the Program, the Award Agreement and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the stockholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

(j) No action shall be taken under this Section 14.2 which shall cause an Award to fail to comply with Section 409A of the Code or the Treasury Regulations thereunder, to the extent applicable to such Award.

(k) In the event of any pending stock dividend, stock split, combination or exchange of shares, merger, consolidation or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Common Stock or the share price of the Common Stock including any Equity Restructuring, for reasons of administrative convenience, the Company in its sole discretion may refuse to permit the exercise of any Award during a period of thirty (30) days prior to the consummation of any such transaction.

14.3 Approval of Plan by Stockholders. The Plan will be submitted for the approval of the Company's stockholders within twelve (12) months after the date of the Board's initial adoption of the Plan. Awards may be granted or awarded prior to such stockholder approval; provided that such Awards shall not be exercisable, shall not vest and the restrictions thereon shall not lapse and no shares of Common Stock shall be issued pursuant thereto prior to the time when the Plan is approved by the stockholders; and provided, further, that if such approval has not been obtained at the end of said twelve (12) month period, all Awards previously granted or awarded under the Plan shall thereupon be canceled and become null and void.

14.4 No Stockholders Rights. Except as otherwise provided herein, a Holder shall have none of the rights of a stockholder with respect to shares of Common Stock covered by any Award until the Holder becomes the record owner of such shares of Common Stock.

14.5 Paperless Administration. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the documentation, granting or exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless documentation, granting or exercise of Awards by a Holder may be permitted through the use of such an automated system.

14.6 Effect of Plan upon Other Compensation Plans. The adoption of the Plan shall not affect any other compensation or incentive plans in effect for the Company or any Affiliate. Nothing in the Plan shall be construed to limit the right of the Company or any Affiliate: (a) to establish any other forms of incentives or compensation for Employees, Directors or Consultants of the Company or any Affiliate, or (b) to grant or assume

[Table of Contents](#)

options or other rights or awards otherwise than under the Plan in connection with any proper corporate purpose including without limitation, the grant or assumption of options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, partnership, limited liability company, firm or association.

14.7 Compliance with Laws. The Plan, the granting and vesting of Awards under the Plan and the issuance and delivery of Shares and the payment of money under the Plan or under Awards granted or awarded hereunder are subject to compliance with all applicable federal, state, local and foreign laws, rules and regulations (including but not limited to state, federal and foreign securities law and margin requirements), the rules of any securities exchange or automated quotation system on which the Shares are listed, quoted or traded, and to such approvals by any listing, regulatory or governmental authority as may, in the opinion of counsel for the Company, be necessary or advisable in connection therewith. Any securities delivered under the Plan shall be subject to such restrictions, and the person acquiring such securities shall, if requested by the Company, provide such assurances and representations to the Company as the Company may deem necessary or desirable to assure compliance with all applicable legal requirements. To the extent permitted by applicable law, the Plan and Awards granted or awarded hereunder shall be deemed amended to the extent necessary to conform to such laws, rules and regulations.

14.8 Titles and Headings, References to Sections of the Code or Exchange Act. The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control. References to sections of the Code or the Exchange Act shall include any amendment or successor thereto.

14.9 Governing Law. The Plan and any agreements hereunder shall be administered, interpreted and enforced under the internal laws of the State of Delaware without regard to conflicts of laws thereof or of any other jurisdiction.

14.10 Section 409A. To the extent that the Administrator determines that any Award granted under the Plan is subject to Section 409A of the Code, the Program pursuant to which such Award is granted and the Award Agreement evidencing such Award shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan, the Program and any Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that following the Effective Date the Administrator determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Effective Date), the Administrator may adopt such amendments to the Plan and the applicable Program and Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Administrator determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under such Section.

14.11 No Rights to Awards. No Eligible Individual or other person shall have any claim to be granted any Award pursuant to the Plan, and neither the Company nor the Administrator is obligated to treat Eligible Individuals, Holders or any other persons uniformly.

14.12 Unfunded Status of Awards. The Plan is intended to be an “unfunded” plan for incentive compensation. With respect to any payments not yet made to a Holder pursuant to an Award, nothing contained in the Plan or any Program or Award Agreement shall give the Holder any rights that are greater than those of a general creditor of the Company or any Affiliate.

[Table of Contents](#)

14.13 Indemnification. To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; provided he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

14.14 Relationship to other Benefits. No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company or any Affiliate except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

14.15 Expenses. The expenses of administering the Plan shall be borne by the Company and its Affiliates.
